

Meeting for Caufield Neighborhood Association

September 27, 2022

Called to order via Zoom at 6:34 pm

Led by John Kies, Kristina Browning, Vice Chair was also present

Ann Griffin // Economic Development

Ann informed us what the economic development department does... encourages visitors and tourism in keeping with the 2040 plan. They handle business retention and expansion, technical assistance and financing, tourism programming and promotions, community enhancement grant, urban renewal commission work and arts commission.

Kristina Browning // Caufield Neighborhood Association Vice-Chair

On August 3rd the Clackamas County Board of Commissioners held a policy session with staff to discuss options for expanding recycling services in unincorporated Clackamas County. The Board approved offering subscription-based expanded recycling to customers so she asked more questions and got clarification this morning.

John announced that next meeting will be the annual election of officers. We are in need of filling several positions and encourage community involvement.

Citizen Concerns

Someone asked about updates on Tolling on the Abernathy Bridge

John reminded everyone about the 100 year Arch Bridge celebration this Saturday.

Next Meeting - November 29, 2022
