Dear Mayor Batey, Council, and team –

On behalf of Brad, we thank you all for joining us yesterday for good conversation and the opportunity to learn more about our ElderPlace services for older adult, the Community Teaching Kitchen for vulnerable patients and community members, and a quick walk through our Emergency Department.

My apologies for not being able to join you as I'm just today finishing my 5-day isolation with COVID. Feeling good, but didn't want to risk your health.

We value your service to the City of Milwaukie, and partner to Providence Milwaukie Hospital, and are available to answer any questions you may still have. We will stay in touch and connect again after the first of the year.
