

CITY OF MILWAUKIE

TRAFFIC REGULATION NO.: **524** DATED: **2/27/2025**

As provided in the City of Milwaukie Municipal Code Chapter 10.08 Section 020, and having based my determination only upon:

- a. Traffic engineering principles and traffic investigations;
- b. Standards, limitation and rules promulgated by the State Highway Commission;
- c. Other recognized traffic control standards;
- d. Required needs.

Need for Traffic Regulation:

“No Parking School Days” signs are installed on the south side of Roswell from SE 36th to the western edge of the Ardenwald Elementary School northern driveway and from the eastern edge of the driveway to approximately 135 ft east of the driveway. Additionally, there is a “No Parking School Days (Left Arrow) sign installed in the RoW in front of 3737 SE Roswell St in City of Portland right-of-way. However, there is no sign closing off this no parking arrow so one should be installed on the eastern edge of Ardenwald Park, where the City of Milwaukie has right-of-way.

General Description of Regulation:

This regulation will amend TRG 345, signed on 8/29/2000, and would allow for the enforcement of the “No Parking School Days” signs that are already installed just west and east of the Ardenwald Elementary School northern driveway. It would also add a “No Parking School Days (Right Arrow)” on the southwestern edge of Ardenwald Park to officially close off the area from the sign established in front of 3737 SE Roswell St. However, this will maintain the “No Parking Tow Away Zone” signs from the northeast border of the Ardenwald Elementary lot to 42 Ave from TRG 345.
