

ORDINANCE NUMBER 1547

AN ORDINANCE OF THE CITY OF MILWAUKIE, OREGON, AMENDING ORDINANCE NO. 1438 BY ADDING PROVISIONS FOR MANUFACTURED HOUSING, MANUFACTURED HOUSING SUBDIVISIONS, PRE-FABRICATED CONSTRUCTION (MODULAR UNITS).

THE CITY OF MILWAUKIE DOES ORDAIN AS FOLLOWS:

Section 1. Findings.

A. Currently, Ordinance No. 1438 includes definitions for Mobile Home and Mobile Home Park, which do not conform to Oregon State Statutes. There is no definition for Modular Housing.

B. The current definition in Ordinance NO. 1438 for Mobile Home Park is not consistent with Section 4.06 of the same Ordinance.

C. The City has received requests from citizens to assure the manufactured units allowed within the City will, to the greatest extent possible, appear similar to "stick-built" residences.

D. The City has received requests from the Manufactured Housing Association and the State Housing Division, regarding manufactured housing, to bring our Ordinance into conformance with the State Statutes and to clarify the foundation requirement.

E. Manufactured and Modular Housing represents a low-cost alternative that will enable more families to live in Milwaukie.

F. It is in the best interests of the City to increase the City's housing stock.

G. The proposed amendments support the following elements of the City's Comprehensive Plan, Ordinance No. 1437:

1. Community Conservation & Development Division
Objective #4, Neighborhood Conservation, Policy #3,
Page 31.

Within Moderate and Medium Density areas, residential infill which maintains existing building heights, setbacks, yard areas and building mass will be encouraged. Of particular importance is the maintenance of existing residential scale when viewed from the street.

2. Objective #5, Housing Choice, Page 31
To continue to encourage an adequate and diverse range of housing types and the optimum utilization of housing resources to meet the housing needs of all segments of the population.
 3. Objective #5, Policy #3, Page 32.
Manufactured housing is encouraged in the city as long as building codes, density standards and other applicable policies are met. The City will encourage the provision of housing at types and densities indicated in the City's housing needs assessments summarized on Table 3-A.
- H. The Planning Commission considered these proposed Amendments at Public Hearings held on January 25, 1983; February 22, 1983; April 8, 1983; April 25, 1983; May 10, 1983; May 24, 1983, and recommended the Council adopt them.
