## *HILLSBORO PUBLIC LIBRARY*

775 S.E. 10th / HILLSBORO, OREGON 97123 / TELEPHONE 681-6115

October 1, 1987

TO THE HONORABLE MAYOR, CITY COUNCIL, AND CITY MANAGER:

This 1986-1987 Annual Report is submitted to you by the Board of Trustees and Staff of the Hillsboro Public Library. The purpose of our report is to provide a brief review of library activities this past year and to offer a statistical comparison of our program for the previous four years.

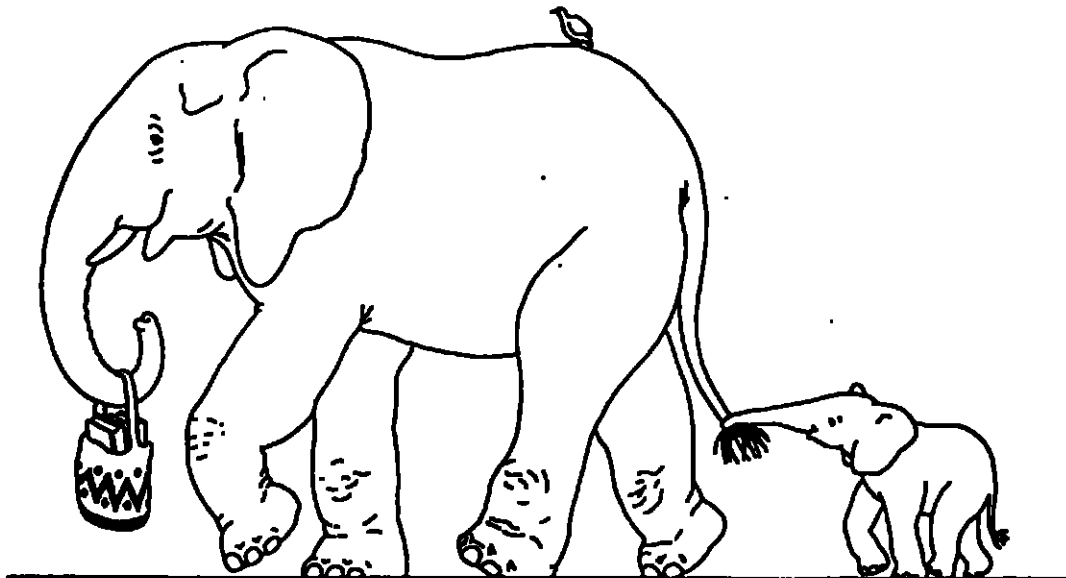

The 1986-1987 fiscal year brought a 2.6 percent increase in circulation of materials from the previous fiscal year. Of course, much of this is directly attributable to the WILI (Washington County Inter-library Information) automation project that computerized and merged the holdings of all eleven libraries in the county. The Hillsboro Public Library began circulating materials on-line on January 29, 1987.

We are proud of the services that the Hillsboro Public Library is able to provide our community and to Washington County. Your continued interest, support, and assistance help make these services possible and enable us to provide quality library service for our patrons.

Debra Brodie  
Library Director
