At a regular meeting of the Board of Commissioners on the date set above at which time were present Chairman Chas D. Bailey and Commissioners F. E. Knight and R. F. Brennan, the following business was transacted.

Meeting was called to order at 10:30, at which time the Roadmaster discussed with the commissioners the fact that the contractor on the Wilson River Slide area had inquired as to whether or not he could purchase hot mix from the County. The County had not yet set up the paving plant, but could, if necessary. However, a call was received that the paver had found he could purchase the material at Lincoln City, so the matter was dropped.

Order was signed directing that the county clerk publish the ballot once in the Headlight Herald and once in the North Times Eagle.
