

SPECIAL MEETING OF DECEMBER 14, 1962

A special meeting of the Council of the City of Milwaukie was held on the fourteenth day of December, 1962, for the purpose of hearing a petition to continue one way traffic on Main Street.

The meeting was called to order by Councilman James Howard, acting in the absence of Mayor Earl Clay.

Present: Councilmen James Howard, Charles Renard, Paul Baer and Theron Sedgwick; City Manager Leonard Mullan and Assistant Manager Max Thompson. Absent: Mayor Earl Clay, Attorney John O. Sheldahl and Clerk Ellen Martin.

A petition, signed by twenty-five downtown business men and women, stating that they were in favor of continuing the one-way traffic on Main Street, was laid before the Council.

Richard Eddy requested that the one-way traffic be continued at least until the first of the year.

There were those present who spoke both for and against the one way traffic, those in favor of continuing the one way traffic appeared to be in the majority.

Councilman Renard suggested that the City request the State Highway Engineers to make a study of the traffic on Main Street and recommend to the Council what steps should be taken.

Councilman Baer stated that he felt that to return to two-way traffic at this time would be a hazard and an injustice to the citizens.

It was moved by Sedgwick and seconded by Renard that one-way traffic on Main Street be continued until after the first of the year. Motion carried and so ordered.

On motion duly made and carried the meeting adjourned.
