

## And the survey says ...

A majority of Milwaukie residents polled in early June feel like the City is heading in the right direction, enjoy Milwaukie's small-town feel and proximity to Portland and were exactly split as to whether or not they would support a bond measure that would preserve the City's core services.

The public opinion research firm, DHM Research, provided City Council with the results of the poll at its June 18<sup>th</sup> Regular Session meeting. Three hundred Milwaukie voters randomly selected participated in the poll over a four-day period.

The results also provided Council a sense of the projects and services residents value most, and how satisfied they were with those services.

## Council considers Library's future

Compiling information from staff interviews, a pair of public meetings and almost 300 survey responses, the consultant funded by private donations, FFA, will provide City Council a report outlining the findings of its needs assessment at its July 2<sup>nd</sup>, Regular Session meeting, held at 5:30 p.m. in City Hall.

FAA will also share several basic renderings illustrating that an on-site expansion is an option to meet current and future service needs.

Ledding Library is more than 20,000 square feet smaller than the national standard for a service area of Milwaukie's size, and the study is looking at ways the library can expand to serve its population and its

PLEASE SEE LIBRARY ON PAGE 2

## MILWAUKIE'S LOCAL LEADERS

### "A lot going on..."

For Chris Haberman, a nationally-recognized artist, muralist, and poet, who is also a graduate of Milwaukie High School, the fact that he has a piece hanging on the campus of his alma mater is proof Milwaukie is changing.

"For me to do a mural there is pretty crazy," Chris said. "I mean, my art is pretty crazy looking - it's not a bunch of trees, you know?"

Maybe a little crazy looking, but also warm, inviting and clearly a celebration of people. The mural that he dedicated to the High School's Health Center is a 170-foot-long mural that depicts faces and figures that embody Milwaukie and his

experience as a Mustang. Former students will see familiar teachers, and a trained eye might be able to see an amalgamation of several teachers in some of the characters.

"The arts and culture focus going on in Milwaukie is pretty great," Chris said. "I just feel there's a lot more going on in Milwaukie."

A prolific artist, having completed his 10,000<sup>th</sup>

Chris Haberman and a sampling of his work to the right

## New domain name and e-services

In an effort to make the website easier to find and staff easier to contact, the City has switched its domain name from the clunky ci.milwaukie.or.us extension to the simplified [milwaukieoregon.gov](http://milwaukieoregon.gov).

This means the City's new website can be found at [www.milwaukieoregon.gov](http://www.milwaukieoregon.gov) and staff and

City Councilors can be reached by their last name, letter of first name, [@milwaukieoregon.gov](mailto:@milwaukieoregon.gov).

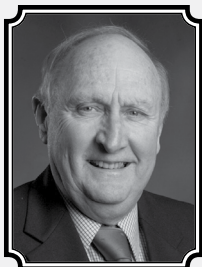

While you're giving the new website address a whirl, check out some of the new E-Services that have recently been added. And check the PROJECTS tab to view weekly updates on active projects.

## Let's protect our City's trees

This month's Councilor Column is written by Councilor Mike Miller. To contact Mike, call (503) 786-7513 or send him an e-mail at [millerm@milwaukieoregon.gov](mailto:millerm@milwaukieoregon.gov).

It's time once again for the City of Milwaukie to take a hard look at protecting one of our greatest assets - trees.

Trees and their benefit to our environment through clean air and water are vital to a livable city. We have in this City many

historic trees that lack protection, but which are very attractive and give the City of Milwaukie character and a sense of identity.

In Portland a new tree code was just completed. It took more than five years to complete. The goal as stated by Meryl Redish on *The Oregonian* opinion page, 'Was to streamline regulations, improve customer service, protect trees better during development and, in general, ensure compliance.'

Their program was developed by citizen stakeholders. The goal was to provide a safety net for trees. Many years ago I was a member of a committee that put together a program in the City of Milwaukie to provide protections for our tree canopy and provide a process to preserve trees in the City.

I believe it is once again time to try to develop a program that will protect this precious resource. By pulling together a group of citizens that can find consensus on this need we will be able to put together a program which will benefit all our residents. I also believe homeowners will be receptive to a program that increases their livability and home values. My hope is that through this process we can become a Tree City USA.

On a side note, don't forget that businesses Downtown are open and eager for your business even though construction has made it harder for you to get there. We need to give them our support.

## Library's July calendar packed with programs

Thanks in large part to the fund-raising activities of the Friends of the Ledding Library, the month of July is packed with programs and prizes for patrons of all ages.

Thirteen dates in July feature a special program for kids - some of the biggies:

**Thurs., July 11<sup>th</sup>, 2 p.m.**

**Bill & Steve Band,  
Fun music for families**

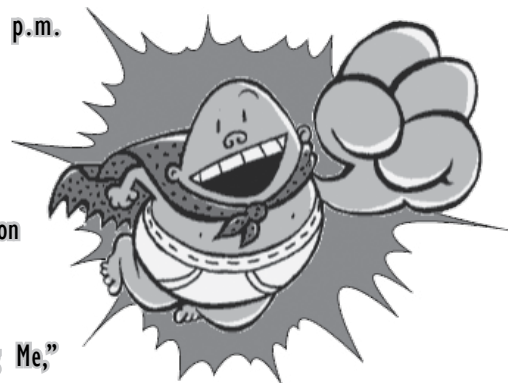

**Tues., July 16<sup>th</sup>, 2 p.m.**

**Meet rescue dog from  
Search One K9 Detection  
Team, Ages 5+**

**Thurs., July 18<sup>th</sup>, 2 p.m.**

**OMSI's hands-on "Bug Me,"  
program, Ages 5 - 9**

**Tues., July 30<sup>th</sup>, 2 p.m. - Captain Underpants Party  
for fans of the book, Ages 5+**

And did you know there was a book club for young adults and adults where you can enter to win a prize from a local business every time you finish a book from the Library? Just fill out a "Review Form" from the reference desk and it will be entered into a weekly drawing, with the chance to win a grand prize of four tickets to a Trail Blazers game.

## BE PREPARED

Some outdoor safety tips to avoid those potential summer emergencies: Respect the heat! Drink lots of non-alcoholic fluids. Know the signs for heat exhaustion. Never leave kids or pets in hot cars! In case of lightning - remember to avoid water, high ground, tall trees, open spaces, fences and other metal objects. And for water safety, stay awake, aware and keep an eye on those kids at ALL times! Happy summer!

### LIBRARY FROM PAGE 1

ever-changing needs.

Themes that emerged from the survey's results: patrons would like to keep the library at its present-day location, patrons still want books to browse, but they also want more places to plug-in their mobile devices and connect to the library's Wi-Fi, and patrons would like more room for quiet rooms and meeting spaces for events like the Poetry Series and the Cultural Series.

### MURAL FROM PAGE 1

painting in Dec. 2012, Chris said he was approached about a year ago to do a piece for Milwaukie High.

"A mural for Milwaukie? I said of course," Chris remembers. "I'm honored. Someone from my family has graduated from Milwaukie High School in every decade since the 1950's. I think Milwaukie is a great place to grow up."

And a great place to showcase some "crazy" art.

## Building Milwaukie

Updates on projects from the  
Community Development Department

### Milwaukie Riverfront Park

Two grant applications were submitted in April 2013 by the City to assist with development of Riverfront Park. One for redevelopment of the boat ramp, associated parking, McLoughlin access improvements and a small restroom. The second grant is for construction of a trail, relocation of some overhead utility wires, and some initial site work. The grant requests were for \$1.2 million and \$221,000, respectively. Grant award announcements are expected to be made in July 2013.

### 17<sup>th</sup> Avenue Bike Pedestrian Path

This project will result in the design and construction of a bike-pedestrian path on 17<sup>th</sup> Avenue, similar to that of the Springwater Corridor Trail, from Milwaukie Riverfront Park north along 17<sup>th</sup> Avenue to Ochoco Street, where it will intersect with the Springwater Trail Corridor in the future. Staff is currently working with Oregon Department of Transportation (ODOT) to select a design firm that will manage the project for ODOT and the City. Completion of this project is expected by late summer, 2015.

### Milwaukie's Transportation System (TSP) Update

Twenty-seven citizens, with representation from the City's seven neighborhoods, discussed the City's transportation priorities at a public meeting on June 3<sup>rd</sup>. At the very top were Neighborhood Greenways on Monroe Street and Stanley Avenue, improvements to Railroad Avenue, and Kellogg Dam removal with a new pedestrian undercrossing. A report summarizing the results of the meeting will be available in early July for public review prior to the start of its adoption process this fall.

## 9K for K9 WALK

**Saturday, July 27, 2013**

**1<sup>st</sup> leg at 9am, 2<sup>nd</sup> at 10am, 3<sup>rd</sup> at 11am!**

Milwaukie Public Safety Committee partnering with the Public Safety Foundation to raise money for our Police K-9 dogs.

**Shaka & Yago!**

**\$25 Pre-Registration Fee**

**\$30 Day Of Event**

**Fee Includes:**

- Short Sleeve Event Shirt!
- Water Bottle!
- K-9 Snacks!

Pick your time to walk, 3K, 6K or full 9K route for fun or sponsor someone else's participation. Bring your dog, your neighbor's dog, or just walk with your neighbors!

FOR MORE INFORMATION VISIT:  
[WWW.9KFORK9.COM](http://WWW.9KFORK9.COM)

## City Hall garden blooms

To signal its support of community gardens and emergency preparedness, City employees teamed with members of Milwaukie Community Gardens in building the City Hall Garden.

A group of about a half dozen built the raised bed with materials donated from Milwaukie Lumber outside City Hall the first weekend in June and was planted with herbs and vegetable starts donated by Kim Olson, a prolific gardener who always helps with the Friends of the Ledding Library Plant Sale.

**UNDER  
CONSTRUCTION**  
but ...

**Open For  
Business!**

**Support local businesses  
and shop and eat in  
Downtown Milwaukie!**

## Daze on hiatus

Due to a variety of factors, including ever-decreasing sponsorship and volunteer support, ongoing light rail construction and upcoming Riverfront Park construction, the Board of Directors of Celebrate Milwaukie, Inc. (CMI) has determined it will not hold the annual Milwaukie Daze summer celebrations for the next couple of summers.

CMI will instead focus its energies and resources on planning for a festival event at the time of the dedication of the new Riverfront Park, which is hoped to be in 2015.

## City Hall hours

Beginning July 1<sup>st</sup> Milwaukie City Hall will open to the public at 9 a.m. every Tuesday instead of at 8 a.m.

City Hall will open at 8 a.m. every other weekday and is open until 5 p.m. every week day.

The one-hour-delay on Tuesdays will be dedicated for staff meetings and other essential business that requires entire Departments or teams to be available.

The Office of the City Manager, Mayor's Office, Finance, and Human Resources Departments are located in City Hall.

## Resident starts a revolution

Written by Greg/Frank Hemer

In 1889 William Simon U'Ren, a Wisconsin-born lawyer, settled in Milwaukie. U'Ren became sick and without any family, the kindly local growers, the Lewelling's, cared for him. The reform-minded Lewelling's handed William Simon U'Ren a book entitled *Direct Legislation*, a study of Swiss political reform.

Mr. U'Ren found his life's calling - create legislative tools for the people to govern themselves - create tools for democracy! U'Ren created the "Oregon System" or I&R: The initiative, referendum, and recall. The Populist Party adopted the principles and Mr. U'Ren started a revolution, where citizens had a voice in creating, amending, and abolishing laws and politicians by popular vote.

Among the laws passed by I&R: the popular vote of State Senators which lead to the 17<sup>th</sup> Amendment; establishment of the first presidential primary election system, empowering voters to recall elected officials, making voting records public information, and giving women the right to vote.

## Police donate bikes to local kids

Sixty Milwaukie school children from five City schools received refurbished bicycles last May as part of the Milwaukie Police Department's Bike Giveaway program.

Officer Billy Wells (from left), Chief Bob Jordan, and Cadet Ken Simac visited Ardenwald, Milwaukie, Linwood and Lewelling Elementaries, and Rowe Middle School, and presented students who had been selected by school staff with a bike.

This is the second straight year the Milwaukie Police Department has given bikes to local kids, and Officer Billy Wells says the Department

plans on doing it again next year.

"What I enjoy most about the program is seeing the child who gets his or her first-ever bicycle and knowing that they will have a chance to be a kid and enjoy the pleasure of riding their bikes," Wells said.

## Poetry Picnic set for July 27<sup>th</sup>

For the past six years, the Milwaukie poetry committee has brought amazing poets to Milwaukie, sponsored open mic and youth poetry nights, and held an annual poetry picnic in partnership with the Ledding Library and the Friends of the Ledding Library. This year's annual poetry picnic will be bigger and better

than ever - with artMOB and local performers joining the fun! Bring your own food and cushy seating on Sat., July 27<sup>th</sup>, 5 to 7 p.m., for music, poetry and entertainment in the Scott Park Amphitheater behind the Ledding Library.

Call Beth Ragel at 503-786-7568 for further information.

## The City Code Corner

Written by Tim Salyers, Code Compliance Coordinator

Unfortunately, we have a lot of home foreclosures in our City.

These houses end up abandoned by the owner, the bank refuses to take ownership or can't do anything due to legal processes, and the City and the citizens end up dealing with the problem.

Recently some of the vacant homes have become problematic with squatters and transients getting in and living in them. We are striving to keep the Neighborhoods clean, safe and livable, so please let me know if there is a foreclosure or a vacant home near you, even if there aren't any violations yet, so I can add it to my list of properties to keep an eye on.

To get in touch with me, please call 503-786-7409 or email [salyerst@milwaukieoregon.gov](mailto:salyerst@milwaukieoregon.gov).

## The Chief's Corner

Written by Bob Jordan, Chief of Police

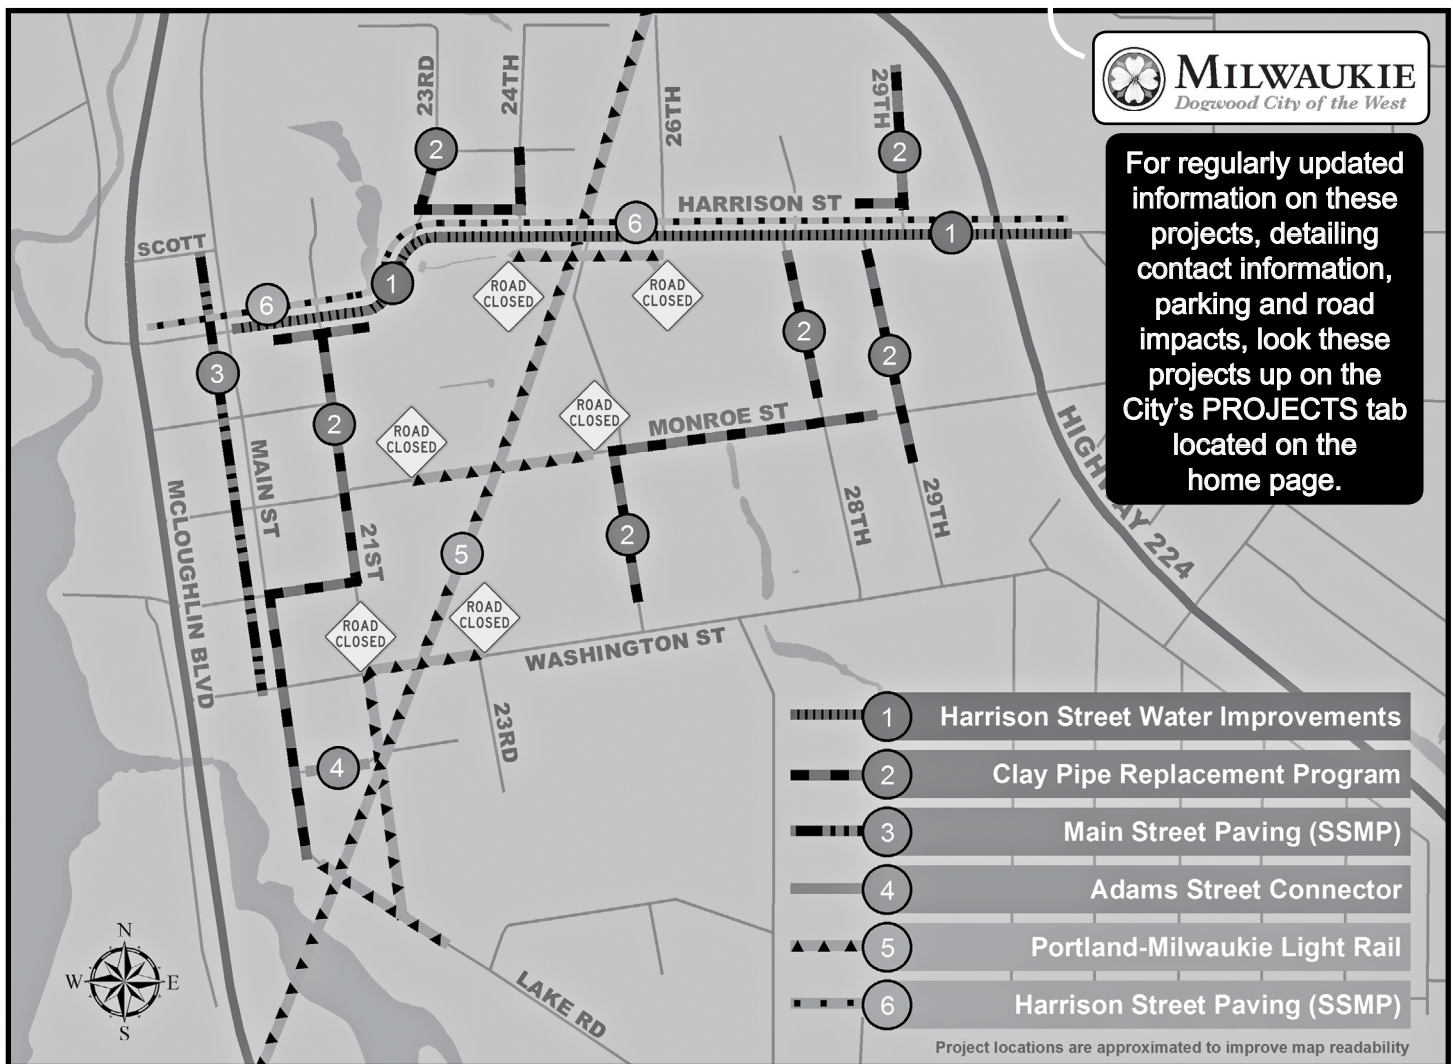

According to sources, about 200 people go to the emergency room every day with fireworks-related injuries in the month around the July 4<sup>th</sup> Holiday.

To avoid injuries caused by fireworks:

- Never allow children to play with or ignite fireworks.
- Always have an adult supervise fireworks activities. Parents don't realize that young children suffer injuries from sparklers.
- Back up to a safe distance immediately after lighting fireworks.
- Never try to re-light or pick up fireworks that have not ignited fully.
- Never point or throw fireworks at another person.
- Keep a bucket of water or a garden hose handy in case of fire and to douse spent devices before putting them into the trash.
- Light fireworks one at a time, then move back quickly.

Following these guidelines will help keep your 4<sup>th</sup> of July Holiday celebrations safe.

## City's Downtown projects

The City is conducting a number of infrastructure improvement projects this summer and next. This map illustrates what work is happening where, and below is a description of the project and when the project is scheduled for completion.

- 1. Harrison Street Water Improvements** - Construction through July 2013 - Replacing old cast iron pipe with pipe made of ductile iron and rubber gasket joints that is much less susceptible to cracking and leaking. Contact: Zach Weigel, 503-786-7610, [weigelz@milwaukieoregon.gov](mailto:weigelz@milwaukieoregon.gov)
- 2. Clay Pipe Replacement Program** - Construction through July 2013 - Replacing clay pipe that is brittle, and due to numerous joints, prone to infiltration and chemical attacks. Contact: Zach Weigel, 503-786-7610, [weigelz@milwaukieoregon.gov](mailto:weigelz@milwaukieoregon.gov)
- 3. Harrison Street** - Reconstruction and resurfacing late September through October 2013. At the time of print, Council was deliberating on whether or not to conduct the **Main Street** resurfacing project this summer or next. Contact: Brad Albert, 503-786-7609, [albertb@milwaukieoregon.gov](mailto:albertb@milwaukieoregon.gov)
- 4. Adams Street** - Construction 2014. Contact: Zach Weigel

## Light Rail work creates road closures, detours

During the summer and fall of 2013, the Light Rail project will reconstruct several downtown crossings which will require road closures (illustrated above) and detours.

The work will result in new rail crossings that include some of the safety measures required for the Quiet Zone designation that will silence, unless in emergencies, freight train and light rail train horns as they pass through town.

The intersection work also includes new sidewalk, curb, pedestrian crossings, and underground utility work.

- **SE Washington Street** completed end of June
  - **SE Harrison Street** closed July 8-15.
  - SE 26<sup>th</sup> Avenue at McLoughlin Boulevard will be permanently closed beginning Aug. 1.
  - **SE Monroe Street** will be closed Aug. 5-25.
  - **SE McLoughlin Boulevard** will be closed between Washington Street and River Road Aug. 16-19 from 10 p.m. Friday through 5 a.m. Monday.
  - **SE Adams Street** and 21<sup>st</sup> Avenue, Oct. 21- Nov. 3.
- Closure and detour maps posted at [www.trimet.org/pm](http://www.trimet.org/pm).

**E**ach Neighborhood Association has a Land Use Chair monitoring applications the City receives. To help track the process, these are upcoming Land Use/Development Review hearings. Dates are sub-

ject to change. Check the City's website for current information.

- July 9 - Stormwater Master Plan First Hearing
- July 23 - No Agenda Items at Time of Press

## HECTOR CAMPBELL

### NEXT MEETING INFORMATION:

**MON., JULY 8<sup>TH</sup>, 7 P.M.**

**PUBLIC SAFETY BUILDING**

**DAVE ASCHENBRENNER, CHAIR**

Hi neighbors! There is not too much on tap for the Neighborhood this month.

The Harvest Sharing Garden is growing and we are donating lots of produce to the community along with what we bring home to our families.

Our summer picnic is in the planning stages and as always we can use more help on the day of the picnic. This year

the picnic is on Aug. 12<sup>th</sup>. So mark your calendars.

If you have been Downtown you will see lots of construction going on. Well, we too will be in for a little construction sometime this year. The intersection of Railroad and 37<sup>th</sup> Avenues will be improved this year. These improvements will allow the City to apply for a Quite Zone for trains. If all goes well, near the end of the year, the trains will be blowing their horns less often.

So that is it for now, and remember to check out both of our web sites [www.hectorcampbellnda.org](http://www.hectorcampbellnda.org) and [www.campbellgarden.org](http://www.campbellgarden.org).

[campbellgarden.org](http://campbellgarden.org).

Enjoy your summer and don't forget the picnic.

## LAKE ROAD

### NEXT MEETING INFORMATION: NO JULY MEETING

**WRITTEN BY VINCENT ALVAREZ, VICE CHAIR**

As I hope all Lake Road residents know, we now own a piece of land at Bowman/Brae Road. Someday this will be our Neighborhood Park. We're still coming up with a name, so please take the summer to think about it, and attend our first fall meeting and throw your ideas out there.

It was decided not to have a summer picnic this year. Last year's get-together was very sparsely attended. We are instead thinking about having a Fall Harvest event. Another item to be on the agenda at our next meeting.

Did you know that we have a produce buying club in our Neighborhood? They just completed a large bulk buy of an heirloom variety of strawberries, at a very good price. Interested in participating? Send an email to [Milwaukiecoop@gmail.com](mailto:Milwaukiecoop@gmail.com). There's easy pickup on Lake Road, and they've had bulk buys of Oregon olive oil, local eggs, asparagus and tomatoes. They are looking at future purchases of blackberries, apples, and grass fed beef - "It's what's for dinner!"

One last heads-up - there will be several closures of roads throughout Milwaukie this summer. One especially, SE McLoughlin Blvd. in August for the Max overpass will directly affect Lake Road traffic. Detours that weekend will divert 99E traffic through our Neighborhood. Please go to City of Milwaukie's website for all of the details.

## HISTORIC MILWAUKIE

### NEXT MEETING INFORMATION:

**MON., JULY 8<sup>TH</sup>, POND HOUSE, 6:30 P.M.**

**WRITTEN BY JEAN BAKER, CHAIR**

We are pleased to have a number of great projects moving forward and we extend an invitation for you to join us.

1. **EMERGENCY PREPAREDNESS.** Join four of your neighbors who have already volunteered to train with first responders. Learn how to help yourself or your family, use a fire extinguisher, search your home for people who may be trapped, do basic first aid, and how to connect to first responders and neighbors in a serious emergency. A few hours, a big reward! You can't beat that deal - **WE PAY FOR IT.**

2. The City has applied for funds to study and design a **BIKE GREENWAY** on Monroe Street. The changes may be monumental, or just painting bike symbols on the street. The intent is to slow (calm) traffic and add design features that will make it safer for pedestrians and cyclists who use the street, particularly all the school kids Downtown (four schools!). Soon we will be undertaking our own neighborhood planning ideas - don't wait to give us your input on these issues.

3. We are trying to get a **TOOL LIBRARY** off the ground this year. We can get the tools, we just need a secure place about the size of a garage. Contact me if you have ideas.

And finally: **WE NEED A COMPUTER SAVY PERSON FOR TWO HRS A MONTH.**

## → ARDENWALD/JOHNSON CREEK ←

### NEXT MEETING INFORMATION: NO JULY MEETING

WRITTEN BY JEFF DAVIS, CHAIR

The Ardenwald-Johnson Creek Neighborhood Association is on summer break July & August and will resume regular meetings Tues., Sept. 10<sup>th</sup>, 6:30 p.m. at Ardenwald School.

Don't miss our summer concert series every Thursday in August in Ardenwald Park (3637 SE Roswell St). The concerts begin at 7 p.m. and end at dusk. Food and beverages will be for sale by several food trucks at each concert. There will also be raffle prizes.

This year's lineup includes:

**August 1<sup>st</sup> - Eric Tweed & The Devil's Advocate & Blues and Soul**

**August 8<sup>th</sup> - Tim & Jim & Acoustic Power Duo**

**August 15<sup>th</sup> - Boy & Bean & Swing/Jazz Trio**

**August 22<sup>nd</sup> - Gravy & Funky Blue Soulgrass**

**August 29<sup>th</sup> - Aaron Meyer & Tim Ellis & Concert Rock Violinist**

National Night Out festivities will be held on Aug. 1<sup>st</sup> starting at 6 p.m. before the concert. Police, fire, and other public representatives will be present to provide educational and fun information about public safety for the entire family.

## LINWOOD

### NEXT MEETING INFORMATION: NO JULY MEETING

WRITTEN BY ZAG PERRY, CHAIR

Linwood has decided to take a little break for the summer. We will regroup on the second Thursday in September.

That doesn't mean that we have slowed down our efforts to make Milwaukie a great place to live! We encourage you to walk your Neighborhood - meet your neighbors - share some of those zucchinis you have growing in your yard - take notes about what you would like to see improved on or changed in your Neighborhood and bring them to our Sept. 12<sup>th</sup> meeting at Linwood Elementary Library at 7 p.m.

Keep in mind summer break is upon us, and that means you're going to see a lot more Linwooders out and about walking and biking on your streets.

'Give them a break' ... literally ... slow down. Many of our streets don't have bike lanes or sidewalks so kids are forced to bike in the middle of the road and around parked cars. Please keep an extra eye out for those future leaders in our community learning to safely balance on two wheels. And bikers - wear that helmet!

Speaking of safety, write this number down: 503-786-7500. This is the Milwaukie non-emergency number. You are encouraged to call it if anything seems suspicious, and, well, just not right. The serving members of our police department always appreciate the community's help in monitoring your streets - since you're most familiar with the normal happenings near where you live. Don't make it easy to be a victim. Slow down, observe, and enjoy our Neighborhood. Have a great summer!

## LEWELLING

### NEXT MEETING INFORMATION: NO JULY MEETING

Much of the discussion at the June Lewelling Neighborhood Association meeting centered on the necessity to bring in more participation, as there currently is not a resident willing to act as the Neighborhood's Chair.

The small group in attendance talked about the important information-sharing that takes place at the meetings, how the Neighborhood Associations offer a structure to influence City projects and policies, a place to raise issues of concern with the City liaisons who attend each meeting and funding for grassroots-level programs through the City's Neighborhood Grant Program.

An example of such a program is the summer concert series Lewelling holds every Wednesday evening in August at Ball-Michel Park.

This year organizers are encouraging residents who pack the park's lawn to bring canned food donations to help feed the area's hungry.

To learn how you might be able to help the Lewelling NDA, please call 503-786-7568.

## ISLAND STATION

### NEXT MEETING INFORMATION:

**MONDAY, JULY 8<sup>TH</sup>, THE GRANGE, 6:30 P.M.**

The Island Station Neighborhood will hold its annual summer picnic on Sat., Aug. 17<sup>th</sup> at Spring Park from 5 to 8 p.m. As in years past the chicken will be provided and neighbors are asked to bring a side or a dessert. There will be live music, and organizers are working on hiring a face-painter for the kids, so be sure to drop by and visit.

At the June meeting neighbors talked about TriMet's tree planting plan along the Trolley Trail and were encouraged that comments from the Neighborhood Association seem to be making an impact.

Residents also discussed the Transportation System Plan Update Open House that was held in June and the input that was provided on behalf of the Neighborhood Association, as well as repainting the slow sign on 22<sup>nd</sup> Avenue.
