

RESOLUTION NO. 12-15

A RESOLUTION MODIFYING THE URBAN RENEWAL COMMISSION COMPOSITION

WHEREAS, it is in the public interest that the Oregon City Urban Renewal Commission operate efficiently and effectively, with neither too many nor too few Commission members to fairly represent the community, and

WHEREAS, it has become evident that a ten member Urban Renewal Commission is too large and unwieldy to function as efficiently or effectively as desired by the City Commission, and

WHEREAS, the City Commission has studied the composition of the Urban Renewal Commission in a public work session, and

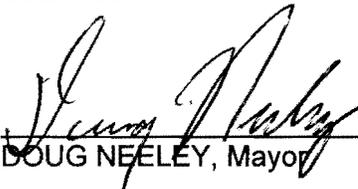

WHEREAS, The City Commission and professional City staff believe that a seven member Urban Renewal Commission would serve the Urban Renewal Agency more efficiently and effectively.

NOW, THEREFORE, OREGON CITY RESOLVES AS FOLLOWS:

Section 1: The Urban Renewal Commission shall consist of seven members, five of whom shall be City Commission members and two of whom shall be at-large members, appointed by the City Commission as follows:

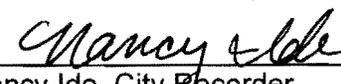

The seven-member Urban Renewal Commission shall be achieved through attrition, meaning that each of the terms of currently appointed members will carry through to the normal expiration dates prior to the appointment of the two at-large Commission members. The Commission shall fill vacancies as soon as attrition reduces the number of Urban Renewal Commission members to fewer than seven.

Adopted, signed and approved this 6th day of June 2012.

DOUG NEELEY, Mayor
