RESOLUTION

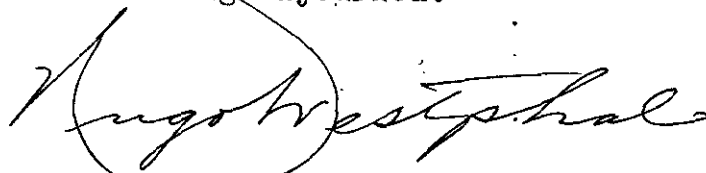

Whereas, J. L. Franzen has been the City Manager of the City of Oregon City since May, 1925, and during said period of time as such manager he has advanced the interest of Oregon City very materially, and has saved the City of Oregon City many thousands of dollars in actual money, and

Whereas, the City Commission of Oregon City feel that for some time past he has been entitled to an increase in salary but on account of the financial condition of the city he has been willing to work for the city for less salary than he was entitled to, and

Whereas, the financial condition of the City has very materially improved under his management and on account of his saving, we believe that for the year 1930 his salary should be increased at the rate of \$100 per month so as to pay him a salary of \$400 per month.

Therefore, Be it Resolved by the City Commission, that for the year 1930 the salary of J. L. Franzen as city manager of Oregon City be raised so that the total salary received by him shall be \$400 per month.
