

The City Manager was requested to make a study of 17th Street from Main Street to Highway 99E in regard to limiting the parking on one side of the street.

The City Manager talked about the League of Oregon Cities convention to be held in Eugene on November 18, 19, & 20 and it was the opinion of the Commissioners that the Commission as well as Commissioner-elect Albert Roake, the City Attorney and the City Manager should attend if possible.

The City Attorney brought up the matter of Miss Mary Fessler falling on the city sidewalk at 8th Street near Railroad Avenue and who through the firm of Beatie & Hibbard, Attorneys at Law, has filed a suit against the city for real damages in the amount of \$125.00 and general damages of \$5,000.00. After some discussion the City Attorney was instructed to see if a settlement could not be reached outside of the court.

There being no further business the meeting adjourned.

To the City Manager
and Members of the City Council
Oregon City, Oregon

Gentlemen,

I have been investigating on my own behalf, the possibility of obtaining a contract with the City of Oregon City to operate the "Sanitary Service."

I therefore make the following proposal for your consideration in the near future.

That upon the expiration of the present operator's contract I offer to pay the City \$500.00 annually for exclusive franchise to operate the garbage pickup service within the City limits of Oregon City.

I further agree furnish all first class equipment necessary for such operation, including a tracklaying tractor with blade to operate a sanitary fill in a satisfactory and agreeable location.

The rates for service to remain the same as at present.

Respectfully submitted I remain

Yours Sincerely

E. P. BUCHMANN
