NOW, THEREFORE, OREGON CITY RESOLVES AS FOLLOWS:

Section 1. A regular City election is called in and for the City of Oregon City, to be held Tuesday, May 17, 2016. The Clackamas County Clerk shall conduct the election.

Section 2. At that election a measure shall be submitted to the voters of Oregon City to allow the change in status of a portion of Wesley Lynn Park to allow for the construction of a public road and to allow the granting of an easement for stormwater facilities to serve a subdivision on adjacent property and for potential future use by the Park.

Section 3. The City Commission adopts the following ballot title to describe the measure to be placed before the voters at the May 17, 2016 regular City election. The City Manager is directed to file the following ballot title with the City Recorder:

Measure No. _____:

CAPTION: Changes status of Wesley Lynn Park; allows easement, public road.

QUESTION: Shall the status of a portion of Wesley Lynn Park change to allow construction of a public road and utilities?

SUMMARY: The City Charter requires voter approval for the change in status of a city park and to allow improvements (other than for recreation) in a park. A property owner who owns the property adjacent to the northwest of an undeveloped portion of Wesley Lynn Park wishes to develop a nine lot subdivision and would like to use a portion of the park to build a public road and install utilities at no cost to the City. The road would be located largely in an existing easement and would likely also serve the park in the future, but the City is not in a position to develop the park at this time. In addition, the developer would be granted a fifteen foot wide easement to allow the installation of an underground stormwater drainage facility. Approval of this measure would allow the construction of a public road and utilities in the park, but would not foreclose the use of those roads and utilities by the park in the future or impact the current use of the park.

Approved and adopted at a regular meeting of the City Commission held on the 3rd day of February 2016.
