SPECIAL MEETING

Oregon City, Oregon, May 28, 1982

A special meeting of the City Commission was held on the above date in the Commission Chambers of City Hall at 12:00 noon.

Roll call showed the following present:

Mayor Joan M. Cartales	Gerald Pecinovsky, General Manager
Commissioner Ron Thom	John C. Anicker, City Attorney
Commissioner Don Andersen	Jean K. McNulty, City Recorder
Commissioner Thomas F. Lemons	

Seven persons were in attendance in the audience.

Mayor Cartales opened the meeting by explaining that the City Commission had received complaints regarding the delivery of the Courier Advertiser. These complaints were relative to the method used in delivery as being more in the fashion of littering than delivery.

Mr. Duane Edmonds, Publisher of the Enterprise-Courier, addressed the Commission and presented a brief history of the Courier Advertiser. He noted the advertising and news articles along with the number of employees, which included the independent carriers. He explained the method used was that of a small truck driving slowly along the streets with the papers being tossed onto the yards of residents. The Contractor who delivered the papers would then pass through the streets on the following Friday to pick up the papers that had not been gathered up by the residents. He further noted that he receives less than three complaints per week from the citizenry and that no complaints had been registered with him from the City of Oregon City in the last three years.

Mr. Edmonds introduced Mr. Eldon Clark who is the Contractor engaged in the actual delivery of the Courier Advertiser.

On discussion, the members of the Commission wanted Mr. Edmonds aware of the fact that there is an ordinance against littering and that more control should be exercised in the dispensing of the Courier Advertising.

Mr. Leonard Strobel, City of Gladstone, was present and addressed the matter noting that complaints were received regarding the distribution of the Courier Advertiser in the Gladstone area also.

It was felt that Mr. Edmonds and the contractor, Mr. Clark, were now more aware of the problems that have been encountered and that they would cooperate in resolving these problems.

There being no further business, the meeting adjourned at 12:32 P.M.

REGULAR MEETING

Oregon City, Oregon, June 2, 1982

A regular meeting of the City Commission was held on the above date in the Commission Chambers of City Hall at 8:00 P.M.

Roll call showed the following present:

Mayor Joan M. Cartales	Gerald Pecinovsky, General Manager
Commissioner Ron Thom	Dave Fish, Administrative Assistant
Commissioner Don Andersen	John C. Anicker, City Attorney
Commissioner James L. Johnson	Jean K. McNulty, City Recorder
Commissioner Thomas F. Lemons	

It was moved by Andersen, seconded by Lemons to approve the minutes of the meetings of May 13 and 28, 1982, as published. At this time, Commissioner Johnson questioned the decision on Page 150 regarding the provision of \$5,000 for the preliminary work for the architectural renderings on the proposed new Main Fire Station. He noted that it was not clear if there was going to be a bid or just an award for the renderings. The General Manager explained that a number of architectural firms are going to be interviewed regarding the cost the City would encounter to construct a Main Fire Station. The firms are to submit information to the City. Commissioner Johnson questioned what criteria was being used for submitting the information. He understood that Oregon City firms have not been contacted and are concerned about not being able to bid on this project. The Manager explained that the plans and specifications for the project would go out for bids but that this request for renderings went out to firms having experience in the construction of fire stations. The Manager further explained that no one was being excepted from submitting information and that he had had a number of inquiries and encouraged their submitting information.

After further discussion, it was requested that a procedure be established for submitting bids for future projects.

Roll call: Lemons, Aye; Andersen, Aye; Johnson, Aye; Cartales, Aye.
Commissioner Thom not in attendance.

This was the opportunity for citizens to present items for Commission consideration on future agendas. There was no citizen input. At this time Commissioner Johnson requested information regarding the Charter Review Committee. The City Attorney stated that the Committee was prepared to present a draft to the Commission. It was requested that this be placed on the July 7, 1982 Commission agenda.
