The following Resolution declaring intention to improve Sixth Street was read and on motion passed.

-RESOLUTION-

Resolution and Notice to improve Sixth Street, in Oregon City, Oregon, from the east side of High Street to the west side of Jackson Street, and

WHEREAS, pursuant to an order of the City Commission of Oregon City heretofore made the City Engineer of said City has submitted his report and filed in the office of the City Recorder plans and estimates for two kinds of improvement of Sixth Street in Oregon City, Oregon from the east side of High Street to the west side of Jackson Street, and estimates of the work to be done thereon and the cost of each class of improvement.

Therefore Be It Resolved that it is the intention of the City Commission of Oregon City to improve said street with one of two kinds of improvement for which plans, specifications and estimates have been prepared by the City Engineer and which are now on file in the office of the City Recorder. Said two kinds of improvement being as follows, to-wit:

IMPROVEMENT NO. 1. The Street shall be brought to sub-grade the full width thereof between the curb lines from the east side of High Street to the west side of Jackson Street. On the road bed shall be placed a 2 inch asphaltic concrete wearing surface between the curb lines from the east side of High Street to the west side of Jackson Street. The Street shall be properly provided with drains and gutters necessary to provide proper drainage for the Street.

All of said improvement shall be made according to plans and

specifications which are hereby referred to and made a part of this resolution, and which were filed on the 2nd day of March, 1927, in the office of the City Recorder and which plans and estimates are hereby approved.

The improvement shall be classed as Asphaltic Concrete and shall be maintained by the City for the full period of ten years from the date of the acceptance thereof by the City Commission.

IMPROVEMENT NO. 2. The Street shall be brought to subgrade between the curb lines from the east side of High Street to the west side of Jackson Street, and on the road bed shall be placed 6 inches of Concrete Pavement from the east side of High Street to the west side of Jackson Street. The street shall be properly provided with drains and gutters necessary to provide proper drainage for the street.

All of said improvement shall be classed as Concrete and shall be maintained by Oregon City for the full period of ten years from the date of the acceptance thereof by the City Commission.

The City Recorder is hereby instructed to cause this notice to be published for not less than five days in a newspaper published and of general circulation in Oregon City inviting bids for each kind of improvement provided for in this resolution.
