The City Attorney reported relative to the closing of part of the alley in Block 103 and it was voted to accept the following report and Mr. Howell be notified to move the said barn out of the alley, voted further that the street superintendent notify Mr. Howell to move said barn.

Oregon City, May 5-1920.

To the Hon., Mayor and City Council:

We, your committee to whom eas referred the matter of investigating the E.M. Howell barn reported to be partly in the alley in Block 103, find after looking over the premises that he has lately had the barn moved from its old location, and it would appear from observation that he has located it so that it extends about six feet in the alley, Thile there is ample room left in the alley for getting through the same, we think that Mr. Howell should be summoned before the council and asked to explain why he has attempted to place a permanent obstruction in a part of the alley; or whether he only intends leaving the barn there temporarily.

Respectfully submitted,

George L.Story. City Attorney.

W.C.Green, Chairman, Street Committee.
