

) Oregon City Oregon
May 22 1923

The City Council of Oregon City Oregon met in special session on the above date at the council chamber at the hour of 7.30, o'clock P.M. With the President of the council F. Metzner acting Mayor. Rollcall showed the following present.
Cameron, VanAukin. Mount. Beatie, Metzner,
Absent, Greaves. Roake, Krassig,

The Mayor stated that the purpose of the meeting was to consider the passage of certain resolutions and ordinances that may come before the council.

A resolution and Notice for the improvement of Fifth Street in Oregon City, Oregon, from the east side of Main Street to a point 222 ft east of the east side of Main street and from the west side of Main Street to the east side of Water Street

WHEREAS, pursuant to an order of the City Council of Oregon City, Clackamas County, Oregon, heretofore made, the City Engineer of said city has submitted his report and filed in the office of the City Recorder plans and specifications for an appropriate hard surface improvement of Fifth Street, Oregon City, Oregon, from the east side of Main Street, to a point 222 feet east of the east side of Main Street and from the West side of Main St. to the East side of Water St., and estimates of the work to be done thereon and the cost there-

WHEREAS, such plans, specifications and estimates are satisfactory to Oregon City, Oregon;

THEREFORE, said plans and specifications and estimates are hereby approved and adopted and be it

RESOLVED: That it is the intention of Oregon City, Oregon, to make the said improvement being described as follows, to wit:

The street shall be brought to sub-grade the full width thereof, between the curbs, and the sub-grade shall be prepared according to the plans and specifications heretofore referred to. On the sub-grade so prepared, shall be laid a one-course concrete pavement laid 7 inches thick and 40 feet wide, with 6 foot concrete sidewalks on each side and standard concrete curbs, the center shall have a crown and sub-base as shown on plans, consisting of cement, sand and gravel or crushed rock, in the proportion of one, two and three, according to the specifications on file with the City Recorder of Oregon City. When the street is completed it shall be at the established grade. The life of the improvement shall be ten years.

The City Recorder is hereby directed to cause this resolution to be published as by the charter required.

Passed by the council in special session this 22nd day of May, 1923

C. W. KELLY, Recorder.

The Following Ordinances came up for first reading, and on motion it was voted that this be considered the first reading and the Ordinances be published and to come up for second reading and final passage at the regular meeting to be held at the council chamber on June 6th 1923 at 7.30, O'clock P.M.
