Ordinance No. 574

Section 1. That the boundaries of said district and the property to be benefited and assessed for the laying and construction of said sewer be as follows:

Beginning at the northeast corner of the Block 21, County Addition to Oregon City, Oregon, running thence in a southerly direction along the north line of said Block 21, thence in a northerly direction along the south line of said Block 21, thence in a westerly direction along the west line of said Block 21, to the southwest corner of Lot 24, Block 14, Falls View Addition to Oregon City, Oregon, thence along the project line to the north line of Lot 24, Block 14, Falls View Addition to Oregon City, Oregon, thence in a southerly direction along the south line of said Lot 24, Block 14, Falls View Addition to Oregon City, Oregon, to the place of beginning.

Section 2. That the sewer shall be constructed according to the plans and specifications now on file in the office of the Recorder of Oregon City, and approved by resolution of the City Council of said Oregon City on the 21st day of April, 1912, which said plans and specifications are referred to in this Ordinance and made a part thereof, and said sewer shall be constructed as follows, to-wit:

The proposed drainage commencing at the center line of Fourth Street, Oregon City, Oregon, at a point in the extension of the center line of Block 21, County Addition to Oregon City, running thence westerly through the center line of Block 21, County Addition to Oregon City, and Block 14, Falls View Addition to Oregon City, to Spring Street, thence westerly along Spring Street to Adams Street, thence northerly along Myrtle Street to Fourth Street. And said sewer shall have all the necessary manholes, lampholes, laterals and connections.

The City Recorder is hereby authorized to advertise for and receive bids for said construction, but the City Council reserves the right to reject any or all bids. The Mayor and Recorder shall enter into contract or contracts with each firm or corporation to whom the contract or contracts are let by the Council of Oregon City, for the construction of said sewer, as specified in this Ordinance.

Section 4. Whereas the territory embraced in this sewer district is thickly settled and now without proper sewerage or drainage and is a menace to the health and safety of that district and the people of Oregon City, it is necessary for the immediate protection of the health and safety of the people of said district and Oregon City that the proposed sewer be immediately constructed and an emergency is hereby declared to exist and this ordinance shall take effect and be in force immediately upon its approval by the Mayor.

The street shall be properly provided with drains, catch basins and gutters necessary to preserve the grade, embankment and surface of the street and to provide all proper drainage. Sidewalks shall be of concrete, except where upon application to the City Council, owners are permitted to have wood walks laid. All sidewalks shall be 6 feet wide and laid to the property line. Curbs shall be laid on each side of the macadamized portion of the street, 20 feet from the center line of the street. Curbs shall be of concrete and set vertically to the sub-grade of the street. Cross walks shall be of wood and not less than three inches thick and all of said improvements shall be made according to the plans and specifications filed April 20th, 1912, and approved by resolution adopted the same date.

Section 2. The improvement shall be classed "Macadam" and shall be maintained by Oregon City for the full period of ten years from the date of the acceptance thereof by the Council.

Section 3. The Recorder is hereby authorized to advertise for and receive proposals for said improvement but the City reserves the right to reject any or all bids therefor, and the Mayor and Recorder shall enter into a contract or contracts with each person, firm or corporation to whom the contract or contracts are let by the City Council of Oregon City for the improvement or parts thereof as specified by this Ordinance.

Section 4. Each contract shall contain a stipulation to the effect that where the cost of the improvement under the provisions of the contract shall exceed one half the value of the property assessed for the cost of the improvement, that the excess of said cost of the improvement over the said one half value of the property assessed for the improvement that the said excess shall be paid to the contractor by Oregon City out of the Permanent Street Improvement Fund or the General Fund of Oregon City and that as to the balance, each person, firm or corporation to whom

said contract or contracts are let, shall look for the payment only to the sum assessed upon the property liable to pay for said improvement and collected and paid into the Treasury of Oregon City for such purpose and they shall not hold Oregon City by any legal process or otherwise liable to pay the said sum out of any other fund.

Section 5. Whereas the condition of said street is and was dangerous to the health and safety of the public and its immediate improvement is necessary for the immediate preservation of the health and safety of the public in the judgment of the Council of Oregon City and emergency exists; therefore this ordinance shall take effect and be in force immediately upon its approval by the Mayor.

Ordinance authorizing the purchase of 350 feet of Fire Hose for the Fire Department of Oregon City and appropriating money to pay for the same.

Oregon City does ordain as follows:

Section 1. The Fire and Water Committee of the City Council of Oregon City is hereby authorized to purchase 350 feet of Fire Hose for the Fire Department of said Oregon City.

Section 2. There is hereby appropriated out of the General Fund of Oregon City, the sum of (\$175.00) Three Hundred and Seventy-five Dollars or so much thereof as may be necessary to pay for said hose and the Recorder is hereby authorized to draw a warrant on such fund to pay for such hose.

Section 3. Whereas the hose now on hand in the Fire Department of Oregon City is insufficient and inadequate and in case a fire should break out in said city, the lives of the inhabitants would be endangered thereby, it is necessary for the immediate protection of the health and safety of the people of Oregon City that the said hose should be provided, an emergency is hereby declared to exist, therefore this Ordinance shall take effect and be in force immediately upon its approval by the Mayor.

Ordinance No.

An ordinance appropriating money to pay for the building of retaining walls in Oregon City.

Oregon City does contain as follows:

Section 1. Whereas lots one and six on Eleventh street and lots four five and six on Washington street, all in block 37, are high above said streets and back and dirt are continually falling upon the sidewalk, and the same are dangerous and inconvenient to pedestrians walking along said street; and whereas the owners of said property have each heretofore been notified by the retaining wall along their respective property to prevent the conditions as aforesaid, and in accordance with the provisions of ordinance No. 511 of Oregon City; and whereas the time specified in said notices and each of them for building such walls has expired, and the said property owners and each of them have refused and failed to build such walls; and whereas the city of Oregon City now proposes to build such walls and assess the cost of the same against each respective lot or part of lot affected; and whereas the city of Oregon City proposes to build retaining walls around the City Park on Twelfth street where necessary, therefore,

There is hereby appropriated the sum of \$1200.00 or so much as may be necessary thereof, to pay for the building of any or all of the foregoing retaining walls, and the cost of such walls as built for private owners shall be assessed against the property affected and docketed in the docket of City Liens as a lien against such property.

Ordinance No. 591  
 Whereas as a provision for a Fire Alarm System for Oregon City, Oregon, and appropriating funds therefor, the Oregon City does hereby enact as follows:  
 Section 1. The Fire and Water Department of the City Council of Oregon City, Oregon, is hereby authorized and directed to cause to be constructed, laid and put in operation a Fire Alarm System for Oregon City, which shall consist of a steel bell tower, a battery rack equipped with storage batteries to power the system, two non-interfering signal wheel transmitters, and a wire together with insulators, pins and brackets for installing the ends of line on poles which are already in place.  
 The Fire Alarm System which is hereby provided to be installed, shall be installed with reference to the standards provided for so as to serve the purpose of an efficient alarm system and shall be so arranged that when a Fire Alarm is sounded, the signal will indicate the exact location of the fire.  
 Section 2. There is hereby appropriated out of the General Fund of Oregon City the sum of \$2500.00 or so much thereof as is necessary to construct, lay and equip the said system.

Ordinance No. 592  
 Whereas the Fire Department of Oregon City has appropriated funds to pay for the same.

Section 1. The Fire and Water Committee of the Oregon City Council is hereby authorized to purchase twelve Fire Hydrants for the Fire Department of Oregon City.

Section 2. There is hereby appropriated out of the General Fund of Oregon City the sum of three hundred and fifty dollars (\$350.00) to be used therefor as may be deemed proper by the City Council.

Section 3. The recorder is hereby authorized to issue a warrant of such fund to pay for such hydrants.

Section 4. Whereas the hydrants now used by the Fire Department of Oregon City are insufficient and inadequate and in case a fire should break out in the city, the lives of the inhabitants would be endangered thereby, it is necessary for the immediate protection of the health and safety of the people of Oregon City that the said hydrants should be provided, an emergency is hereby declared to exist, therefore, this ordinance shall take effect and be in force immediately upon its approval by the Mayor.

Ordinance No. —  
dedicating the Second Addition to Mountain View Cemetery, Clatsop County, Oregon.

The hereinafter described tract of land which has been subdivided and marked off in blocks, lots, streets and alleys shown on the plat of the same, is hereby ordered to be dedicated together with the easements, with the right of way, to the use and enjoyment of the people of Clatsop County, Oregon, according to the known and officially recorded plat of the Second Addition to Mountain View Cemetery.

All streets and alleys, lots and blocks in said Second Addition are of the dimensions as shown on the said plat of the same, and the said streets and alleys are hereby dedicated to the public for use as highways for cemetery purposes.

Section 3: The description of the said Second Addition to Mountain View Cemetery is as follows:

Beginning at a stone 6 inches 6 inches 15 inches set at the S. W. Corner of First Addition to Mountain View Cemetery, said point being 1015.50 feet South and 244.40 feet East of the Sec. corner on the North line of Sec. 5 T. 3 S. R. 2 E. W. M.; thence North 0 degrees, 04 minutes E 122.50 feet to a stone; thence South 38 degrees 38 minutes W 240 feet to an iron pipe, which pipe is 902.45 feet South and 4.50 feet East of the 1 Sec. cor. on the N. line of Sec. 5 T. 3 S. R. 2 E. W. M.; thence South 0 degrees, 04 minutes, W 104.10 ft. to an iron pipe; thence N. 89 degrees, 25 minutes, E 208.10 ft. to a stone, thence South 65 degrees, 17 minutes, E 35.10 feet to a stone and place of beginning.

Section 4: Whereas the law of the State of Oregon provides a penalty for using a burial lot in a cemetery until the same is properly dedicated, and whereas the present cemetery cannot longer furnish places of burial, and it is necessary for the uses of the public that other ground should be immediately provided for such purposes; and whereas the public health and safety demand that this should be done without delay; therefore an emergency is declared to exist and this ordinance shall take effect and become the law of the city immediately upon its passage by the council and approval by the mayor.

The sidewalk shall be laid on a base of concrete, and shall be at least four feet wide at the top and shall be with the back perpendicular to the sidewalk line. The top shall be finished or rounded on the outer edge.

This walk shall be placed on the side of the street adjoining the property line, and shall be at least six feet wide, or more, with a width of one quarter inch to the foot from the curb.

### Foundation:

The space over which the walk is to be laid shall be excavated to the proper subgrade, and thereon be compacted by rolling or ramming, or by other means, so that it is free from objectionable or unsuitable material. Below subgrade as shown on the plans shall be first removed, and the places filled with sand, gravel or gravel well screened in place. The finished subgrade shall be parallel with the surface of the finished walk, and shall be four inches below such finished surface. When the sidewalk does not cover the whole space between the property line and the curb, the space not so covered shall be filled or excavated to the top of the curb.

### Material:

When rock is used, the same shall be the best hard, dark colored, sound basalt rock, granite, or equally hard stone broken in pieces not larger than two inches largest diameter, nor smaller than one-half inch in diameter, or gravel of similar size may be used.

The broken rock shall be screened so that all dust, clay, loam, vegetable matter, and pieces smaller than one half inch in diameter shall be removed. The rock shall be thoroughly washed if considered necessary by the City Engineer. The sand used shall be clean of all vegetable matter or dirt, coarse and sharp, and of the quantity known as Columbia river sand.

Clackamas River sand and gravel may be used in the concrete in the proportions, seven parts sand and gravel to one part cement.

### Cement:

All cement shall be artificial Portland cement, free from lumps and deterioration on account of exposure to the weather, and must be approved by the City Engineer, who shall have access to it for the purpose of testing it at least ten days before it is used.

### Forms:

The forms used shall be of hard wood free from warp and not less than one and three-quarters inches thick, and sized; and if previously used, all mortar and dirt shall be washed off before using again. All forms shall be securely braced.

The concrete for the base shall be made of one part cement, three parts sand and four parts broken rock, or clean gravel; quantities shall be measured and not approximated. A cubic footement, ninety four (94) pounds shall be considered to have a volume of one cubic foot.

Machine mixing will be acceptable when a concrete equivalent in quality to that specified above is obtained. The mixing of the concrete and mortar shall be thorough and at all times done to the satisfaction of the City Engineer. The concrete shall be deposited in the forms within sixty minutes after being mixed, and shall be transported to the forms in water tight carriers. The concrete shall be evenly spread and tamped until the mortar appears on the surface. The base shall be laid in six foot blocks formed either by using strips across the forms or by placing the blocks alternately, or by cutting through to the subgrade with a tool not over six inches long and one-quarter inch thick. The upper surface shall be made exactly parallel with the surface of the completed work. The mortar and the concrete shall be mixed in greater quantities than is required for immediate use, and none remaining unused until having set, shall be remixed or used in any way. The whole operation of mixing and laying each batch of concrete shall be performed as expeditiously as possible.

### Wearing Surface:

Upon this surface the wearing surface shall be laid one half inch above the mortar for the same

The mortar shall be spread on the base within thirty minutes after mixing, and in no case shall more than sixty minutes elapse between the time that the concrete for the base is mixed, and the time that the surface coat is floated. The surface shall be marked as nearly as possible into slabs three feet square, or of such other size or shape as directed, and if required by the City Engineer, shall be protected from the action of the sun, wind and rain until thoroughly set. Six foot walks shall be marked with a jointer eighteen inches from either side and parallel to its length, and at every three feet across. The finished surface shall be left rough or slightly corrugated.

### Surface of Curbs:

The upper and outer one-half inch of the curb shall be of the same material as the wearing surface heretofore described and subject to all the conditions herein stated. The inside core shall be of concrete mixed and laid similar to the concrete bed for the walk. Planed boards free from warp and not less than one and three quarters inches thick shall be used for curbs. They shall be treated in the same manner as for sidewalks. The curbs shall be placed parallel with the property line and not less than ten feet therefrom.

### Corners:

At intersecting streets the corner shall be a quadrant with a three foot radius, and at street intersections with alleys, shall be a two foot radius, and shall be finished as other parts of the curb.

sidewalks shall be constructed in conformity with the foregoing plans and specifications, and whether laid by the city or by property owners, shall be laid under the supervision of the City Engineer and the committee on streets and public property of the Council. And the Ordinances now in force governing the giving of Notice to build sidewalks in Oregon City, shall be followed when Notice is necessary in carrying out the provisions of this ordinance; and the property owner shall be required to obtain a permit as provided in such ordinances. Any person or firm engaged in building sidewalks in Oregon City shall notify the Recorder that he is engaged in such work, and shall be required by the Council to give a reasonable bond for the faithful performance of his work before permitted to commence the same. All such work shall be subject to the approval of the said Committee and Engineer, and if in their judgment such work does not comply in all respects with these plans the same may be rejected and the contractor compelled to complete such work to their satisfaction.

Section 3. Any person who shall violate any of the provisions of this ordinance, shall upon conviction thereof be deemed guilty of a misdemeanor, and punished by a fine of not more than \$50.00 or by imprisonment in the city jail not to exceed 25 days.

I, Charlotte Baker

being first duly sworn, say that I am principal clerk of the printer and publisher of the MORNING ENTERPRISE, a newspaper published daily (except Monday) at Oregon City, in Clackamas County, Oregon, and having a general circulation in said city and county; that the attached notice was correctly published in the regular issue of said newspaper once a week for consecutive and successive insertions, commencing with the issue

dated Oct 5 1912, and ending with the issue

dated Oct 5 1912, during all of which times of publication said newspaper was regularly circulated in said county; and further that said notice was not published in any supplement of said newspaper, but in the newspaper itself.

Charlotte Baker

Subscribed and sworn to before me this 5th day

of Oct A. D., 1912

Notary Public in and for Oregon

Sec. 1. It shall be the duty of the Street Committee of the Council of Oregon City to regulate the erection, maintenance, removal, relocation, and use of poles, wires, and wires on said street, and to cause all poles, wires, and wires on said street to be removed, relocated, or otherwise disposed of in accordance with the provisions of this ordinance. Sec. 2. It is the sense of the Mayor and Council, as aforesaid, that conditions therein can be changed for the better of the city and all concerned without in any manner interfering with the convenience or depriving any of said citizens of any rights which they may claim under their respective franchises, and that the removal, relocation, or otherwise disposing of all poles and wires on said street shall be done within ten days after the passage and approval of this ordinance. Sec. 3. It is the sense of the Mayor and Council, as aforesaid, that conditions therein can be changed for the better of the city and all concerned without in any manner interfering with the convenience or depriving any of said citizens of any rights which they may claim under their respective franchises, and that the removal, relocation, or otherwise disposing of all poles and wires on said street shall be done within ten days after the passage and approval of this ordinance. Sec. 4. It shall be the duty of the Street Committee of the Council of Oregon City to regulate the erection, maintenance, removal, relocation, and use of poles, wires, and wires on said street, and to cause all poles, wires, and wires on said street to be removed, relocated, or otherwise disposed of in accordance with the provisions of this ordinance. Sec. 5. The report of said committee as aforesaid on the feasibility or non-feasibility of removing any or all of said poles and wires as aforesaid shall be binding upon any and all of said companies aforesaid, and a neglect or refusal of any person, firm, or corporation operating or owning telephone, telegraph, lighter power poles and wires on said street, or to comply with the report of said committee, whether

Sec. 6. Any person, firm or corporation, who shall violate any of the provisions of this ordinance, or refuse or fail to comply with any of the conditions herein made obligatory, shall upon conviction thereof, be punished by a fine of not less than \$50.00 nor more than \$300.00, or by imprisonment in the city jail not less than 25 days, nor more than 150 days.

Sec. 7. Whereas, the present conditions on said part of Main street are very unsatisfactory, and it is necessary to invoke the police power of the city to properly adjust said conditions; and whereas, the great number of useless poles and wires on said street, are a menace to the safety of the inhabitants of the city, therefore an emergency is hereby declared to exist, and this ordinance shall take effect and be in force immediately after its passage and approval by the Mayor.
