COMMISSION REPORT

TO THE HONORABLE MAYOR AND COMMISSIONERS

FOR AGENDA

DATED

January 6, 1999

Page 1 of 1

Subject: Temporary Turnaround Easement
Vacation for Lots 16 and 28, Hazel Meadows
Subdivision - Resolution No. 99-01 and
Access Easement Acceptances for Lots 16 and 28
For Emergency Services Vehicle Turnaround Easements

Report No. 99-06

When the Hazel Meadows Subdivision Plat was recorded, the owner granted a "temporary turnaround easement" on Hazel Meadows Lots 16 and 28 as required by the conditions of approval for the subdivision. This temporary turnaround easement was for the purpose of providing enough space for oversize vehicles, i.e., fire trucks, to turn around and covered the entire area of Lots 16 and 28.

Recently, the developer proposed reducing the size of the easement for the purpose of constructing homes on the lots. They also proposed that the "temporary turnaround easement" be rededicated as a temporary "emergency services vehicle turnaround" until such time as a through street is constructed. This proposal has been reviewed by staff and found to be acceptable.

To implement this change, on the January 6, 1999 agenda is proposed Resolution No. 99-01 (copy attached) which vacates the original "temporary turnaround easement" for Lots 16 and 28 of Hazel Meadows subdivision.

Also on the January 6, 1999 agenda are Access Easements (copies attached) for Commission acceptance to provide for a temporary "Emergency Services Vehicle Turnaround Easement" for a smaller portion of Lots 16 and 28 as depicted in diagrams with each easement.

It is recommended that the Commission accept the Access Easements for a temporary Emergency Services Vehicle Turnaround and authorize the Mayor and City Recorder to execute and adopt Resolution No. 99-01 to vacate the temporary turnaround easement that covered the entire Lots 16 and 28.
