CITY OF OREGON CITY, OREGON SANITARY SEWER EASEMENT

21 CC 1200 Park Place Sewer

KNOW ALL MEN BY THESE PRESENTS, THAT James D. Isbell hereinafter called the GRANTOR, does hereby grant unto the City of Oregon City, hereinafter called the CITY, its successors in interest and assigns, a permanent easement and right-of-way, including the permanent right to construct, reconstruct, operate and maintain a sewer line, mains, and conduits over across and through the following described land:

A tract of land situated in the S.W. 1/4 of Section 21, T.2S., R.2E., W.M., in the George Abernathy D.L.C. No. 58, Clackamas County, Oregon, also being a portion of that tract of land conveyed by deed to James D. Isbell and Lois Darlene Isbell, recorded in Fee No. 83-33127 on October 5, 1983, Clackamas County Deed Records, being more particularly described as follows:

The West 20.0 feet of the South 20.0 feet of said Isbell tract.

The area of the permanent easement is 400 square feet (0.009 acres);

TO HAVE AND TO HOLD, the above described easement unto the CITY, its successors in interest and assigns forever.

The GRANTOR does bargain, sell, convey, transfer and deliver unto CITY a temporary easement and right-of-way upon, across and under so much of the aforesaid land as described as:

Being the West 35.0 feet of the South 50.0 feet of said Isbell tract.

It being understood that said temporary easement is only for the original excavation and construction of said utility line and upon the completion of the construction thereof shall utterly cease and desist, save and except for that portion hereinbefore described as being a permanent easement.

GRANTOR reserves the right to use the surface of the land for walkways, plantings, parking and related uses. Such uses undertaken by the GRANTOR shall not be inconsistent or interfere with the use of the subject easement area by the CITY. No building or utility shall be placed upon, under or within the property subject to the foregoing easement during the term thereof, however, without the written permission of the CITY.

Upon completion of the construction, the CITY shall restore the surface of the property to its original condition and shall indemnify and hold the GRANTOR harmless against any and all loss, cost or damage arising out of the exercise of the rights granted herein.

The true consideration of this conveyance is Four hundred and no/100 dollars (\$400.00), the receipt of which is hereby acknowledged by GRANTOR.

And the GRANTOR above named hereby covenants to and with the CITY, and CITY's successors in interest and assigns that GRANTOR is lawfully seized in fee simple of the above granted premises, free of any encumbrance that would prevent or limit the use of the property for a sanitary sewer or result in such easement being subject to extinguishment, and from any encumbrance not of record as of September 23, 1991.

And that GRANTOR and his heirs and personal representatives shall warrant and forever defend the said premises and every part thereof to the CITY, its successors in interest and assigns against the lawful claims and demands of all persons claiming by, through, or under the GRANTOR.

In construing this deed and where the context so requires, the singular includes the plural and all grammatical changes shall be implied to make the provisions hereof apply equally to corporations and to individuals.

IN WITNESS WHEREOF, the GRANTOR has executed this instrument this 3^{t} day of <u>OCTOBEC</u>, 1991; if a corporate grantor, it has caused its name to be signed and seal affixed by its officers, duly authorized thereto by order of its board of directors.

James D. Isbell

Report No. 91-211

Subject: Public Utility Easement Acceptance Park Place Sewer Project

On the November 6, 1991 City Commission agenda is a recommendation to accept the first group of public utility easements negotiated so far for the sewer project. Thirty-two easements are included. As additional groups of easements are ready they will be brought forward for Commission acceptance.

Attached as Exhibit A is a list of the thirty-two easements by map, tax lot and property ownership. A status report of all the easements is attached as Exhibit B for review.

To simplify the acceptance, it is recommend that the City Commission adopt one motion to accept all thirty-two easements as identified in the attached Exhibit A, and authorize the Mayor and City Recorder to execute respectively.

CHARLES LEESON City Manager
