GRANTOR reserves the right to use the surface of the land for walkways, plantings, parking and related uses. Such uses undertaken by the GRANTOR shall not be inconsistent or interfere with the use of the subject easement area by the CITY. No building or utility shall

be placed upon, under or within the property subject to the foregoing easement during the term thereof, however, without the written permission of the CITY.

Upon completion of the construction, the CITY shall restore the surface of the property to its original condition and shall indemnify and hold the GRANTOR harmless against any and all loss, cost or damage arising out of the exercise of the rights granted herein.

And the GRANTOR above named hereby covenants to and with the CITY, and CITY's successors in interest and assigns that GRANTOR is lawfully seized in fee simple of the above granted premises, free of any encumbrance that would prevent or limit the use of the property for a sanitary sewer or result in such easement being subject to extinguishment, and from any encumbrance not of record as of August 8, 1991.

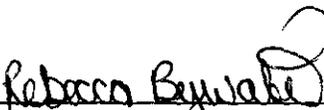

And that GRANTOR and their heirs and personal representatives shall warrant and forever defend the said premises and every part thereof to the CITY, its successors in interest and assigns against the lawful claims and demands of all persons claiming by, through, or under the GRANTOR.
