

# City Hosts Earth Day Volunteer Clean Up and Bridge Dedication Event

On Saturday, April 23 from 9 a.m. to 1 p.m., the City of Milwaukie will host this year’s annual Earth Day event that brings together the North Clackamas Urban Watersheds Council, Johnson Creek Watershed Council and volunteers from across the county to help clean up Kellogg Creek. This year, volunteers will remove trash, pull invasive plants, and beautify the area around the new Kellogg Creek Bridge, which connects the south end of Main Street (and the Main Street Orange Line MAX station) to Kronberg Park. This event is part of SOLVE IT, Oregon’s largest statewide Earth Day event.

Volunteers will gather at 8:45 a.m. at the southern end of Dogwood Park (11299 SE Main Street) for a short orientation. Work will begin at 9 a.m. and conclude at 11:15 a.m. Afterward, lunch will be served to volunteers and the bridge dedication ceremonies will begin (for more details, see page four). At noon, the Sojourner Elementary Marimba band will perform on the bridge, so bring your dancing shoes!

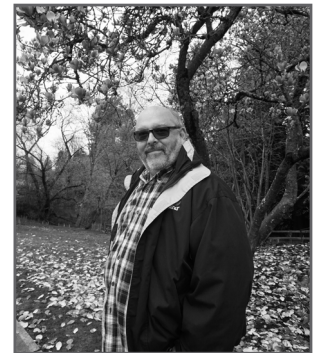

If you would like to volunteer, register at [www.solveoregon.org](http://www.solveoregon.org). For more information, visit [www.milwaukieoregon.gov](http://www.milwaukieoregon.gov) or contact Jason Wachs at 503-786-7568 or [wachs@milwaukieoregon.gov](mailto:wachs@milwaukieoregon.gov).

### ◊ MILWAUKIE’S LOCAL LEADERS ◊

## Volunteer of the Year: David Aschenbrenner

In March, City Council announced the recipient of the 2015 Volunteer of the Year award is David Aschenbrenner. This award recognizes a Milwaukie resident who has made a significant contribution to the community during the past year.

“In Milwaukie, we rely on volunteers to do a lot for the city, so it gives me a sense of community-building to give back,” said Aschenbrenner. “I got started many years ago when a neighbor asked me to get involved with my NDA (neighborhood district association), then I was elected the NDA chair, and it just went from there.”

Aschenbrenner was nominated by several Milwaukie residents for his service as the Hector Campbell NDA chair, president of the Milwaukie Historical Society, and board member of Celebrate Milwaukie, Inc. He was also recognized by his peers for his volunteer work for the Milwaukie Farmers Market, Hector Campbell Community Garden, CERT, and several city events.

“I wouldn’t have been able to accomplish what I’ve done so far without all the other volunteers along the way contributing as well. Our city has a great working relationship between City Council and the neighborhoods as well,” said Aschenbrenner. “I have a very supportive family too, who’s willing to let me volunteer this much.”

Aschenbrenner will be formally recognized by City Council on Tuesday, April 5 during the Council meeting and have his name engraved on a plaque at city hall. To the other residents considering volunteering, Aschenbrenner said, “We need everyone’s support to help the city grow. It doesn’t require a lot of time. Just doing a little bit makes a big difference, just doing something strengthens our community.” For more information about volunteering, visit [www.milwaukieoregon.gov/citymanager/volunteer](http://www.milwaukieoregon.gov/citymanager/volunteer).

## Listening and Celebrating Our Differences

Councilor Wilda Parks

Recently, area Rotary Clubs, including Milwaukie's, hosted a Peace Symposium dealing with conflict resolution. Much of what I heard was, in many ways, things we already know, but presented in a new voice, with reminders. I'd like to share some of those thoughts, since they are relevant to our City Council, as well as all the city's Boards, Commissions and Committees.

Firstly, be involved! It does make a difference. Speak up; the goal of groups is to have voices that are heard. Various points of view and a multitude of ideas are needed for action. Divergent views cause people (reasonable people) to think, evaluate, shape ideas and arrive at solutions. (as in Council business, area development, all the areas of discussion in the city).

Shared difference is the ability to relate to each other and resolve conflict, and contribute to a healthier, stable, economically-vibrant and socially-thriving community. Your personal skills and personal viewpoints are what continue to make a difference. It's important to accept other possibilities, and to discuss options and variables.

Listening was a thread through all the presentations. Simple enough, but often hard for us to do—we all want to get our ideas out. A speaker, Nancy Pionk, JD, offered that listening is the foundation to change. The process, she said, is Listening, Understanding, Rapport, Influence, and Change. I think that goes along with what I learned some time ago; you have to educate to change. You can't just pop a new idea out to a group or person. You have to go through the steps of educating, and also open to the realization that your ideas may not be the best, listen to the others.

The bottom line for a healthy, active and attractive community is celebrate the differences, expect differences, and don't equate differences with wrongness.

*This month's City Council Column is written by Councilor Wilda Parks. To contact Councilor Parks, please call 503-786-7512 or email [parksw@milwaukieoregon.gov](mailto:parksw@milwaukieoregon.gov).*

## April City Hall Artist Series: Americana en Havana

Educator, author and artist Denise Emmerling-Baker was able to spend time at the University of Havana, Cuba in October 2014 as part of the first delegation of U.S. doctoral students to study in Cuba. While she was there, Emmerling-Baker was touched by the beauty of the city, as well the people with their smiles, sharing, and commitment to the benefit of one another. She was also impressed by their resilience to make do with whatever material goods they could acquire, repair or restore.

To commemorate President Obama's historic trip to Cuba in March 2016 as the first sitting U.S. President to visit Cuba since Calvin Coolidge in 1928, as well as the loosening political sanctions between the two countries, Emmerling-Baker is sharing photos of the Cuban people and places she encountered while in Havana during the month of April as part of the artMOB City Hall Artist Series. A special reception with the artist will be held on **Tuesday, April 5 from 5 to 7:30 p.m.** at City Hall. For more information, please visit [www.milwaukieoregon.gov/arts-committee](http://www.milwaukieoregon.gov/arts-committee).

## Upcoming Budget Committee Meetings

The city's budget committee will begin meeting at the end of April for the presentation of the proposed 2016-17 budget and accompanying deliberations. Meetings will be held at 6 p.m. in Council Chambers in City Hall (10722 SE Main Street). Complete schedule:

- **Thursday, April 28**
- **Thursday, May 12**
- **Thursday, May 26 (tentative, if needed)**

# Financial Ethics Reporting

In the city's efforts to continually embrace best practices in governing, Milwaukie's finance department has implemented an anonymous fraud and ethics hotline using EthicsPoint.

The fraud prevention is most commonly detected through employee and citizen tips. Having a tool and program in place for employees and citizens to anonymously report any suspected misconduct is one of the most effective methods for fraud reporting. Residents and city staff can submit a case through a portal to EthicsPoint, where a team of educated professionals take the case. Further follow-up and review of the case is conducted through the anonymous portal.

If you are aware of any misconduct, act or omission that you think violates ethical city practice, the finance department encourages you to visit [www.milwaukieoregon.gov/finance/anonymous-fraud-ethics-reporting](http://www.milwaukieoregon.gov/finance/anonymous-fraud-ethics-reporting) to file a report online or call 1-855-230-6338.

# City Code Corner

It's that time of year again when you have to dust off those lawn mowers and cutting shears.

There are some ordinances in the city that restrict the height of vegetation in certain areas. For instance, grass, weeds and wild blackberries are not allowed to be taller than 8 inches. Trees and shrubs overhanging below 8 feet on the sidewalk and below 12 feet on the street must be cut so pedestrians and vehicles can pass underneath safely.

Finally, for our friends at the fire department, residents need to keep a 3-foot radius clear around fire hydrants, in case of a fire, so they can protect you and your family.

For more information, contact Tim Salyers, code compliance coordinator, at 503-786-7409 or [salyerst@milwaukieoregon.gov](mailto:salyerst@milwaukieoregon.gov).

# Free Prescription Drug Take-Back Event

It's a great time to clean out your medicine cabinet! The Milwaukie Police Department (MPD), in conjunction with the Public Safety Advisory Committee, Milwaukie

Public Safety Foundation and Milwaukie Providence Hospital, will participate in the National Prescription Drug Take-Back Day on **Saturday, April 30 from 9 a.m. to noon**. Anyone wishing to dispose of unused or unwanted medications for free can stop by the Milwaukie Police Department at 3200 SE Harrison Street. Turning-in unused prescriptions can help keep children safer and prevent pill abuse. All drugs collected will be cataloged and placed in the MPD evidence room for destruction.

During the drug turn-in event, the MPD is also offering a free document shredding service for confidential records. Help prevent identity theft by bringing old documents and records you have been meaning to get rid of by having them ground onsite by Docu Shred.

For more information, contact Captain David Rash at 503-786-7400 or visit [www.milwaukieoregon.gov/police](http://www.milwaukieoregon.gov/police).

# Chain of Survival

Cardiac arrest can occur without warning and can strike immediately. Knowing the signs of cardiac arrest and being part of the chain of survival can greatly improve a victim's chance

of survival. The Chain of Survival consists of five links dependent upon each other:

1. Rapid recognition of the cardiac arrest and calling 911.
2. Immediate Cardio Pulmonary Resuscitation (CPR). It's vital the cardiac arrest victim receive bystander CPR prior to the arrival of emergency medical crews.
3. Rapid defibrillation
4. Basic and advanced life support emergency medical services
5. Advanced life support post arrest care in the hospital

Immediately recognizing a victim in cardiac arrest, calling 911 right away, performing CPR, and deploying an AED, if available, provides the best chance of survival for cardiac arrest victims. For more CPR or chain of survival information, visit [www.clackamasfire.com](http://www.clackamasfire.com).

## City Hosts Arbor Day Celebration on April 23

On April 23 from 11-11:30 a.m., the city will host a special tree planting in Dogwood Park (11299 SE Main Street) to celebrate Arbor Day. During the event, guest speakers, including Mayor Mark Gamba, will offer some brief remarks and participants will have a chance to help plant a new tree in the park. Afterward, the city will provide those in attendance with free trees to be planted at their own residences.

Tree planting is a national tradition that started with the first Arbor Day on April 10, 1872. This is the first year the City of Milwaukie has held an official tree planting to celebrate Arbor Day, but will become an annual activity. This event is part of the city's effort to achieve Tree City USA status, a nationwide movement that celebrates the importance of an urban tree canopy and improved care for the city's vital trees in its public spaces. Trees enhance the health and well-being of the environment, while adding beauty to the community.

To learn more about the Arbor Day celebration event or Milwaukie's efforts to become a Tree City USA, please contact Mitch Nieman at 503-786-7573 or [niemanm@milwaukieoregon.gov](mailto:niemanm@milwaukieoregon.gov).

## Native Plant Sale

On May 7 from 9 a.m. to 4 p.m., the Friends of the Ledding Library will host the 13th annual plant sale at the Ledding Library Pond House (2215 SE Harrison Street). All plants are donated from local yards and gardens, and proceeds benefit library programs. Plant sales and donations are tax deductible. If you have plants to donate or would like to volunteer for this event, contact Pat at 503-502-2888.

## Ledding Library to Accept Food for Fines

In celebration of National Library Week, the libraries in Clackamas County are offering a Food for Fines promotion from April 10 through April 16. The Ledding Library will waive \$1 in library fines for every item of food that is donated!

Donors are asked to contribute non-perishable nutritional foods. Please avoid donating expired or dented/damaged cans. All food will be donated to local food banks. Please note that this offer only applies to overdue fines, not lost or damage charges. For more information, visit [www.milwaukieoregon.gov/library](http://www.milwaukieoregon.gov/library).

## Upcoming Events at the Ledding Library

### Adults Who Color

**Sunday, April 3 at 1 p.m.**

Unleash your creative side with coloring! Join this informal group of artistic folks at an adult coloring hour. Occurs the first Sunday of each month at 1 p.m. (Ledding Library)

### Poetry Open Mic

**Wednesday, April 6 from 7-8 p.m.**

Theme is April Fools' Day. Contact Gail Barker at [gail\\_barker@comcast.net](mailto:gail_barker@comcast.net) to sign up in advance to read your poetry or another's work. Light refreshments provided. (Pond House)

### Ledding Cultural Forum: Lidia Yuknavitch

**Thursday, April 7 at 7-8 p.m.**

Yuknavitch presents about her book *The Small Backs of Children*. (Pond House)

### Growing the Best Tomatoes

**Tuesday, April 12 from 6:30-7:30 p.m.**

Master Gardener Bob Woods teaches how to grow different varieties, how to start plants from seed, proper garden site selection and other helpful tips. (Pond House)

### Milwaukie Poetry Series Monthly Reading

**Wednesday, April 13 from 7-8 p.m.**

Features Michael McDowell. (Ledding Library)

### Foreign Film Night

**Thursday, April 21 at 6:30 p.m.**

Showing the Columbian film *Colors of the Mountain* in Spanish with English subtitles. (Ledding Library)

### Soils, Nutrients and Composting

**Tuesday, April 26 from 6:30-7:30 p.m.**

Master Gardener Kris LaMar teaches how to improve the condition of your soil, including the importance of knowing which types of nutrients make your plants thrive and how to improve the amount they're getting. (Pond House)

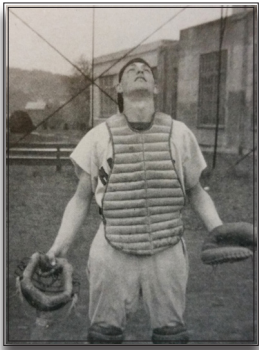

### Bilingual Poetry Reading

**Saturday, April 30 from 2-4 p.m.**

In partnership with the Iraqi Society of Oregon and Al-Mutanabbi Street Starts Here, and the Milwaukie Poetry Committee, the library hosts a poetry reading in Arabic and English. Q&A and discussion to follow the reading.

To learn more about these and other programs, call 503-786-7580 or visit [www.milwaukieoregon.gov/library](http://www.milwaukieoregon.gov/library).

# Jerry Zimmerman: A Milwaukie Sports Star

*Jerry Zimmerman*

April is the beginning of spring for many, but for some of us, it is the transformation of basketball season into baseball season. There is one famous Milwaukie High School (MHS) student that exemplifies this experience—Jerry Zimmerman. He was an accomplished Maroon (now Mustangs) basketball player, but also made his living playing and coaching in Major League Baseball.

The 1952 Maroon (MHS yearbook) states, “But paced by six-foot, All-State, senior Jerry Zimmerman, the Mustangs ran up 17 wins while losing 9 tilts. Zimmerman led the Maroons through a successful regular season...Zimm-led Maroons swept the district 12 title with Zimm hitting for 31 markers against Molalla.” The Maroon continues, “Jerry Zimmerman became the first Milwaukian to be named to the All-State team. Zimm poured in 533 points during the 28-game season. Jerry is no doubt one of the greatest basketball players ever to play for Milwaukie Union High School.”

Not only did Jerry Zimmerman dominate the court, he also ruled the diamond. The 1952 Maroon states: “Speedy centerfielder Bill Cunningham, strong armed pitcher Len Zimmerman, and hard hitting catcher Jerry Zimmerman are the nucleus around which coach McKeel has built this year’s team.”

After high school, Zimmerman was drafted by the Boston Red Sox and traded to the Cincinnati Reds in 1959. He ended his career playing for the Minnesota Twins in 1969. He played in two World Series in 1961 and 1965. He was a bullpen coach for the Montreal Expos from 1969- 1975, then for the Twins from 1976-1980. He ended his baseball career as a scout for the Yankees and Orioles. He is also one of the last acting coaches ever to umpire a Major League game during an umpire strike in 1978.

To learn more about famous Milwaukians, or look through old MHS yearbooks from 1916 to the 1990’s, visit the Milwaukie Museum on Saturdays from 1-5 p.m. If you would like to donate a MHS yearbook, please bring it to the museum during open hours. For more information, visit [www.milwaukiehistoricalsociety.com](http://www.milwaukiehistoricalsociety.com) or like the Milwaukie History Museum Facebook page.

*This month’s Milwaukie history article is written by Greg Hemer from the Milwaukie Historical Society. For more information, email [milwaukiemuseum@gmail.com](mailto:milwaukiemuseum@gmail.com).*

## Kids Events at the Ledding Library

**Happy Birthday, Beverly Cleary!**

*Tuesday, April 12 from noon to 6 p.m.*

Beloved children’s author Beverly Cleary turns 100 on April 12! She was born in 1916 in McMinnville, Oregon. Many of her books are set in nearby Portland, where she spent her childhood after her family moved there when she was six years old.

Drop in any time in the afternoon to help celebrate with a scavenger hunt full of her book characters and a special Ramona-inspired craft. Cake will be served at 4 p.m. (Drop-in)

As one of world’s most prolific children’s book authors, Cleary has sold 91 million copies.

**See to Read - Vision Screenings**

*Thursday, April 28 from 11 a.m. to 1 p.m.*

Free vision screenings will be offered in the children’s library by trained screeners from the Elks Children’s Eye Clinic at OHSU. This service is for children ages 3-7, no registration is required.

See to Read is dedicated to the sight and the success of Oregon’s children and provides free vision screenings at public libraries across the state. The Elks Children’s Eye Clinic at Oregon Health & Science University’s Casey Eye Institute is joining with the Oregon State Elks and the Oregon Library Association to detect vision problems in 3- 7 year-olds before vision disorders unnecessarily threaten a child’s development.

At least 15 percent of all preschoolers have an undetected vision problem that needs to be treated with glasses, which is why Oregon’s legislator has mandated a new law that requires all children entering kindergarten to show proof of a vision screening. See to Read is a part of this state wide initiative, aiming for earliest detection. This program is driven by the notion that no child should begin learning to read and write with an undetected vision problem.

To learn more about these and other programs, call 503-786-7580 or visit [www.milwaukieoregon.gov/library](http://www.milwaukieoregon.gov/library).

## HISTORIC MILWAUKIE

MON, APRIL 11 @ 6:30 PM \* LIBBIE'S RESTAURANT

There will be no fooling around this April in the Historic Milwaukie NDA. As challenging as it may seem, the neighborhood is participating in as many Earth Day events as its members choose.

While hoping that the showers are delayed—rain or shine—there are several volunteer opportunities on Saturday, April 23. There will be the opening and dedication of the bridge across Kellogg Creek, into Kronberg Park, a big event that even has live music. The NDA will be working in the downtown area with members of the Milwaukie Downtown Business Alliance (business owners) to clean up, pull weeds and plant flowers. Volunteers are also welcome to join the Johnson Creek Watershed Council and participate in clean up and restoration efforts at the confluence of Kellogg Creek and the Willamette River.

Mid-April brings the income tax deadline, and if taxes are on your mind, you may want to express your opinions at the urban renewal open house on April 20 at 6:30 p.m. at the Public Safety Building.

As a reminder, April 26 is the deadline to register to vote or change your party affiliation in order to vote in the May primary. This year, unaffiliated voters can also request a primary ballot from the Independent Party who will allow residents to vote in their primary without joining. By the time May flowers bloom, some of the candidates may have withered, and others may not look as rosy as they do now. Regardless, please register and participate.

## HECTOR CAMPBELL

MON, APRIL 11 @ 6:30 PM \* PUBLIC SAFETY BUILDING

Spring has sprung in Milwaukie as we see flowers popping up everywhere. Now is the time to get out and check your property and meet your neighbors! There are lots of events

happening in our community, and several are listed in this addition of The Pilot, as well as the city's website. You can also join our email list for the latest updates at [info@HectorCampbellNDA.org](mailto:info@HectorCampbellNDA.org).

Volunteering is a great way to give back and “pay it forward” in our community. There are lots of ways—from reading and mentoring in our schools, to joining a work party to plant

new plants in a park. You can also deliver meals to seniors with Meals on Wheels or get involved in many other great causes. It can take as little as an hour a week, so roll up your sleeves and lend a hand—it's a rewarding experience.

As a reminder: YOU are the first line of crime prevention! If you see something, SAY something. The Milwaukie Police are there to help, but they can't be everywhere. For emergencies, call 9-1-1, or for the Non-Emergency Dispatch Line, call 503-786-7500.

## LAKE ROAD

WED, APRIL 13 @ 6:30 PM \* ROWE MIDDLE SCHOOL

Last month, the Lake Road neighborhood saw some great presentations from local organizations, and decided to share some of its grant funds with their excellent causes. Have you heard about the grant money that the city is kind enough to bestow on their Neighborhood District

Associations (NDA)? Each NDA gets \$4,000 each fiscal year to support causes in their neighborhoods or going-on city-wide.

Over the past several years, Lake Road has helped the Milwaukie High School band get new uniforms, helped fund a new track for students, supported Rowe Middle School with school supplies, supported the Meals-on-Wheels program, and supported city events, such as the Milwaukie Daze fireworks, parade, and many others. The Lake Road NDA was even able to help the city purchase property for a new park! Does it sound like the neighborhood is bragging? Well, I guess we are!

The NDA supports projects every year, such as the summer concerts and Movies in the Park. Aside from the grant funding, there are numerous volunteers in the neighborhood who spend countless hours striving to make our city even better than it already is by giving of their precious time to causes that are important to them. If you want more information about your NDA or volunteer opportunities, check the city's website or attend one of the neighborhood meetings. See you there!

## LEWELLING

WED, APRIL 13 @ 6:30 PM \* LEWELLING ELEMENTARY

Lewelling had no neighborhood news to report for this month. For neighborhood information or questions, please contact Bryan Trotter at [LewellingTrotter@outlook.com](mailto:LewellingTrotter@outlook.com).

## ARDENWALD/JOHNSON CREEK

MON, APRIL 25 @ 6:30 PM \* LIZ'S CREATIVE CAFE

Spring is here and that means it is time for the Ardenwald-Johnson Creek Neighborhood Plant Sale on Sunday, May 15 from 11 a.m. – 4 p.m. at 3012 SE Balfour Street

Please join the Ardenwald-Johnson Creek Neighborhood for their plant sale! Bring your plant list and enthusiasm, and come buy some lovely plants for your garden. The plants have been donated from some of our accomplished neighborhood master gardeners and neighborhood Hardy Plant Society of Oregon (HPSO) gardeners. This plant sale is a fundraiser for development of a new park in the Ardenwald-Johnson Creek neighborhood and will be located near the future new park (in case, you haven't heard, the park master plan design has been completed and approved). Please bring cash or check only—a debit/credit card machine will not be available at checkout. For more information or questions, please contact Lisa Gunion-Rinker at 503-754-1655 or visit the neighborhood's website at [www.ardenwald.org](http://www.ardenwald.org).

Also, on **Saturday, April 2 from 9 a.m. to noon**, please join the Friends of Tideman-Johnson Park in our neighborhood for the next work party scheduled. We will be mulching native plants and removing invasive species! Meet at the bottom of the 37th Street entrance—gloves, tools and refreshments will be provided. More information is always available at [www.ardenwald.org](http://www.ardenwald.org). We look forward to seeing you at the next meeting and fun events to share your input!!

## LINWOOD

THUR, APRIL 14 @ 6 PM \* LINWOOD ELEMENTARY SCHOOL

The Linwood neighborhood is committed to using its time and energy to make the community more aware of current events and generally safer through volunteerism, while having fun. The Linwood NDA is happy to announce that it's hosting the second Adopt-A-Road event next month on **May 14 at 9 a.m.** Volunteers are planning to meet at the front of Linwood Elementary for some morning snacks and hot cocoa before setting out to help clear Linwood Avenue, between King Boulevard and Harmony Road. The January Adopt-A-Road event was successful, with many friends and neighbors feeling proud to help take care of their neighborhood.

The neighborhood hopes you can make it the next NDA meeting on Thursday, April 14 at 7 p.m. The Linwood NDA

convenes in the elementary school library, and is happy to discuss any aspect of the neighborhood or local news. This is a great opportunity if you have questions or concerns, or just want to connect with people in your area. Unless you sign up for the monthly newsletter, you may find it difficult to keep up on local news, events and developments. For more information, please email Zac Perry, Linwood NDA chair, at [linwoodzp@gmail.com](mailto:linwoodzp@gmail.com).

## ISLAND STATION

WED, APRIL 20 @ 6:30 PM \* MILWAUKIE GRANGE

The Island Station neighbors would like to highlight some of the projects, and hopes for the future, they're currently working on that will continue to improve the walkability, livability and safety of the neighborhood. Thanks to the cooperative efforts of the

Good Neighbor Committee, Island Station is enjoying the addition of some new park benches along the waterfront park area behind the water treatment plant. The neighborhood is looking forward to increased lighting and other improvements, which are in the works.

Looking to the future, Island Station neighbors unanimously voted to provide \$5,000 in support of building the portion of the Kronberg Park Master Plan's path that runs from the southern end of the Kellogg Creek bike and pedestrian bridge (under the Kellogg Creek Light Rail bridge) in a recent letter of intent to the City of Milwaukie. To read the complete letter, visit the documents on the Island Station Nextdoor page.

Island Station is also excited about the recent addition of the Painted Intersection Program. At the most recent meeting, several neighbors expressed an interest in working together to develop and implement this creative artwork in the neighborhood. Thanks to Pam Denham for volunteering to get this new vision started in our little neck of the woods.

For more information about the Island Station neighborhood, neighbors are always welcome to attend a monthly meeting. Island Station can also be found on Facebook at [www.facebook.com/milwaukieisnda](http://www.facebook.com/milwaukieisnda), on Nextdoor at [islandstation.nextdoor.com](http://islandstation.nextdoor.com), or the city's website.
