Newsletter vs. Postcard Announcements – William Gifford & Chris Wadsworth

- If the neighborhood wants to have a newsletter go out, that is a possibility and we could attempt to get that done.
- This time we sent out the postcards which were very bright and easy to see in the stack of mail!
- There is a Gaffney Lane Facebook page. This is a great way to get the information out to people in your neighborhood.

Signs for Neighborhood Meetings – William Gifford & Chris Wadsworth

- Some of the neighborhood associations have signs they put out the day of their meeting to remind people about the meetings. If this neighborhood would be interested in this we can get a couple made for the neighborhood. Someone from the association would need to be responsible for placing the signs and picking them up in the evening as well.
- Suggested areas were.
 - Burgerville (corner of Gaffney Lane and Molalla Avenue)
 - Four way stop at Meyers and Gaffney Lane
