

RESOLUTION NO. 10-20

A RESOLUTION ADOPTING THE DOWNTOWN OREGON CITY PARKING STUDY

WHEREAS, to find a solution to the downtown parking issues, the City and Clackamas County employed the services of Rick Williams Consulting to facilitate a study of downtown parking and provide recommendations to address the various needs and competing uses; and

WHEREAS, to assist with this study, a stakeholder committee was formed in June 2008; and

WHEREAS, the committee met nine times from June 2008 to March 2009; and

WHEREAS, a comprehensive parking data and inventory and capacity demand analysis was conducted in June and July of 2008; and

WHEREAS, the Downtown Oregon City Parking Study was completed in April 2009; and

WHEREAS, following the completion of the Parking Study, staff met additionally with stakeholder groups including local law enforcement agencies, downtown businesses, the Citizens Involvement Committee & McLoughlin Neighborhood Association, and Clackamas County to present and seek feedback on the Study; and

WHEREAS, adoption of the Study will provide staff the necessary direction and authority to begin implementing the recommendations.

NOW, THEREFORE, OREGON CITY RESOLVES AS FOLLOWS:

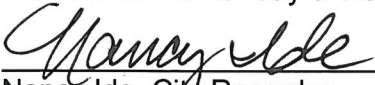

Section 1. The Downtown Oregon City Parking Study report is received as complete and is hereby approved.
