MEETING OF SEPTEMBER 23, 1946

661st MEETING

The six hundred sixty-first regular meeting of the Council was held on the twenty-third day of September 1946.

The meeting was called to order by Mayor Sperr.

Present: Mayor Sperr, Councilmen Hamlin, Roberts, and Rowe; Manager Kelsey, Attorney Kirkpatrick, Water Superintendent Hofmann, Auditor Phillips, Officer Burbank, and Recorder Martin. Absent; Councilman Nelson, and Treasurer Dillery.

The minutes of the six hundred sixtieth regular meeting of the Council, held on the ninth day of September 1946 were read and approved as read.

Mr. J. D. Kyle came before the Council and asked for permit to build an addition to and remodel a garage to make an apartment for dwelling purposes, at Lot 26, Block A. Kerr and Shindler's Addition. There was considerable discussion due to the fact that the present building was but two feet from the property line and, therefore, would not conform to side and back yard requirements, under the code. It was agreed that the members of the Council, as well as Mr. Kelsey, would look at the garage and be prepared to make a decision by the next meeting of the Council.

Mr. Emer Roszell came before the Council and asked permission to move a trailer house, and use the same as a dwelling, onto his property, Lots 1 and 2, Block 14, Quincy Addition. Mr. Roszell stated that he wished to use the trailer as a dwelling only until he could get material to build a residence and that he would have water piped to the property and have sanitary disposal conveniences. It was moved by Roberts and seconded by Hamlin that a temporary permit, with a time limit of one year be given Mr. Emer Roszell, to move his trailer house on Lots 1 and 2, Block 14, Quincy Addition, upon the condition that if, within one year, no progress has been made toward construction of a dwelling, he show satisfactory cause. Motion carried and so ordered.
