TOWN HALL MILWAUKIE, OREGON, MAY 9, 1911.

The 110 regular meeting of the Council of Milwaukie was called to order by Mayor Streib, roll called showed the following officers present: Philip Streib, Mayor; W.A.Hansen, Recorder; Davis, Marshal; Councilman Warren Knight, J.R.Kelso, Chas. T. Stockton, W.F. Lehman.

The minutes of 109 regular meeting and special meetings were read and approved. The following bills were read and allowed, and on motion warrants were ordered drawn on the Treasurer in the several amounts:

The P.R.L. & Co.	-----	\$70.91
L.H.Campbell	-----	\$38.10
R.H. Conrad	-----	\$47.12
P.G.Harlow	-----	\$24.37
Sellwood Electric Co.	-----	\$ 3.19
Barthold Barg.Co.	-----	\$ 4.65
W.F.Lehman	-----	\$ 3.00
Jno. A. Peterson	-----	\$ 5.85
C.B.Davis	-----	\$ 5.30
W.A.Hanson	-----	\$10.10
	total	\$312.59

Councilman Kelso reported that there had been some complaints made in regard to the S.P.trains stopping on the crossings on Washington Street and blocking the traffic, and that the evening train was running about 25 miles per hour through the town, and upon motion the Recorder was instructed to notify the S.P.Co. of this, and to have it discontinued.

The Water Committee reported that they had investigated complaints against the Water Co. and that things were bad shape, and upon motion the Recorder was instructed to notify the Water Co. to correct the trouble and report at the next meeting.

A petition for the improvement of Foster Road was read and upon motion by Stockton the petition was laid on the table. A petition signed by property owners along Main Street asking the Council to leave the Park strip as it was originally dedicated, was referred to the Street Committee for further consideration.

A drawing showing the plans for a retaining wall to be built along the south end of Main Street together with specifications therefore were read and upon motion the Mayor and Recorder were instructed to

Resolution and notice for the improvement of Fourth Street  
Milwaukie, Oregon. from North side line of Washington St. to the East line of Park St.

Whereas pursuant to an order of the city council of Milwaukie, Oregon heretofore made, the city engineer has filed his report and filed in the office of the Recorder of said Milwaukie, plans and specifications, for an appropriate improvement according to the petition heretofore filed and for an improvement together with an estimate of the work to be done and the cost thereof, and whereas such plans and specifications and estimations are satisfactory to the council of said Milwaukit thereof :

The plans, specifications, and estimates are hereby approved and be it resolved that it is the purpose and intention of Milwaukie by its city council to make the said improvements, being described as follows to wit\* -

The street shall be brought to subgrade the full width thereof between the curbs. On the roadbed macadam shall be (16) feet wide down the center of the street. On the roadbed the macadam shall be not less than 9 inches thick on the center of the street and (7) inches thick on the sides, and when completed the said street shall be brought to the established grade, with branches of the same width at all intersections with other streets, carried out to the side lines of the street under contract.

Said street shall be properly provided with all drains, catch basins, gutters necessary to preserve the grades embankments and surface of street, and to provide all proper drainage, crosswalks shall be made as provided in the plans and specifications herein and approved by this resolution.

The city recorder is hereby directed to cause this resolution and notice to be posted as required by the city charter of Milwaukie Oregon.

The foregoing resolution was adopted by the council of Milwaukie at the Regular meeting held on the 9<sup>th</sup> day of May 1911.

Recorder of the town of Milwaukie, Ore

Resolution and notice for the improvement of Clark street  
Milwaukie, Oregon. from the North line of Fourth St. to the south line of  
the Keil & Beckman Co. Road

Whereas pursuant to an order of the city council of Milwaukie, Ore., heretofore made, the city engineer has filed his report and filed in the office of the Recorder of said Milwaukie, plans and specifications, for an appropriate improvement according to the petition heretofore filed and for an improvement together with an estimate of the work to be done and the cost thereof, and whereas such plans and specifications and estimations are satisfactory to the council of said Milwaukie thereof :

The plans, specifications, and estimates are hereby approved and be it resolved that it is the purpose and intention of Milwaukie by its city council to make the said improvements, being described as follows to-wit-

The street shall be brought to subgrade the full width thereof between the curbs. On the roadbed macadam shall be (16) feet wide down the center of the street. On the roadbed the macadam shall be not less than 9 inches thick on the center of the street and (7) inches thick on the sides, and when completed the said street shall be brought to the established grade, with branches of the same width at all intersections with other streets, carried out to the side lines of the street under contract.

Said street shall be properly provided with all drains, catch basins gutters necessary to preserve the grades, imbankments and surface of the street, and to provide all proper drainage, crosswalks shall be made as provided in the plans and specifications herein and approved by this resolution.

The City Recorder is hereby directed to cause this resolution and notice to be posted as required by the city charter of Milwaukie, Oregon.

The foregoing resolution was adopted by the Council of Milwaukie at the 110 Regular meeting held on the 9<sup>th</sup> day of

May 1911.

Recorder of the Town of Milwaukie  
Oregon.

19  
notify contractor Counsel of the same and to enter into a contract with him for building the said wall.

The City Engineer reported plans and specifications for the improvement of Oak <sup>and Fourth</sup> Street together with estimates of the work to be done thereon, and the cost thereof, and said plans and specifications and estimates were considered by the Council and the following resolution was adopted by the Council and ordered posted according to the Charter.

Resolution - ~~4th~~ page No.
