3. Discussion Item

3a. Oregon City Municipal Code Section 12.04.120 Streets Sidewalks and Public Places - "Obstructions," and prospective Amendment Language Allowing Cluster or Global Approval of Revocable Long-Term Obstruction(s) in the Canemah Historic District Rights-of-Way

John Lewis, Public Works Director, gave a presentation on obstructions in the Canemah Historic District rights-of-way. He discussed the procedure for reviewing and approving permanent obstructions in the rights-of-way and applicable fees. He then gave sample encroachment permits with attachments and showed pictures of current encroachments. He explained options for further consideration. His recommendation was to not initiate further action on longstanding encroachments.

The Commission discussed the options. There was consensus that they take some form of action, not just do nothing.

After more discussion, there was consensus for staff to get an understanding of the existing obstructions in the rights-of-way and bring back some of those that were questionable.

4. Adjournment

Mayor Holladay adjourned the meeting at 7:09 PM.

Respectfully submitted,

Kattie Riggs, City Recorder
