

Mr. Nims reported that Lewis and Clark College would not use Oregon City for their survey this summer unless more students signed for the course than could be used in Oswego. If Oregon City is not used this year for the survey they will probably come here the summer of 1951.

It was decided that the Planning Commission would make a trip to the city parks Sunday, March 6.

There being no further business the meeting adjourned.

Oregon City Planning Commission

Dear Sirs;

We the residents of Buena Vista district have met as a body and have decided that 1. The Kitchen 2. Lights 3. Water in kitchen and upper level 4. Soft ball diamond is one of the first and most essential things to be done to promote interest of the public for the improvement of the Atkinson Memorial Park as a city recreation center and playground.

Respectfully,

MRS. R. E. MARSHALL

MRS. E. HEDLUND

MRS. RUSSELL BAKER

The recommendations made by the Buena Vista Club were discussed at length and upon motion it was decided to make a recommendation to the City Commission covering the items mentioned by the Buena Vista Club. It was decided to hold a special meeting of the Planning Commission at 11:50 a.m., April 27, 1950 at the Senior High School to pass on the recommendations to be submitted to the City Commission.

Mr. Rilance, Chairman of the Public Relations Committee, reported that he had talked to the managers of K.G.O.N. and they have given the Planning Commission fifteen minutes time on the radio station each week to be used to acquaint the people of the community with planning work. Mr. Walter R. May of the Enterprise Courier has also offered to print any articles the Planning Commission would like published.

The matter of having a bulletin board on planning activities in the lobby of the City Hall was discussed and Mr. Nims was asked to have the bulletin board put up in the City Hall.

There being no further business the meeting adjourned.
