Report on Water System
Improvements - Phase II

DEPARTMENT: Administration

John A. Buol

BUDGET IMPACT:

Expenditures
Required \$

Amount
Budgeted \$

Appropriation
Required \$

BRIEF SUMMARY:

STAFF REPORT ATTACHED Yes ___ No ___

This report was prepared at the request of the City Administrator's office to address phase II of the Master Water Study Plan of 1982. The development of property in the high water zone and the very dry summer has increased the demand for water. Also, their needs to be storage to serve the highest service zone. There is also a need to construct a new transmission main to the Willamette area of the City.

RECOMMENDED ACTION:

Authorize the staff to proceed with the development of method of submitting a bond issue to the citizens of West Linn.

COUNCIL ACTION TAKEN:

AGENDA BILL NO. ___

8-28-85 Murray Smith & Assoc. presented their report to Council.

Council asked for a comparison of rates from other jurisdictions, in an effort to consider ways to fund these needed improvements.
