DRAFT

DRAFT

GOALS FOR 2014 (Proposed)

PARKS AND RECREATION ADVISORY COMMITTEE

PRAC should become knowledgeable and supportive of the goals and initiatives of the Oregon City Commission, and its boards and committees as they relate to the goals of PRAC. PRAC's goals should complement those of the City Commission.

1. Willamette Falls Legacy Project.

Upon request, PRAC should participate in the planning of the WFLP, particularly as it relates to public spaces for walking/biking trails, and viewing areas to experience the falls.

2. Glen Oak Road and Filbert Run Parks.

PRAC supports the master planning and design projects for these parks. Upon request, PRAC will participate in these projects as appropriate.

3. Clackamette Park – RV Park Improvements

PRAC should continue to monitor the development of the CP-RV plan, and make recommendations as considered necessary.

4. Wesley Lynn Park

The phase 2 development of WL Park should continue. PRAC should review progress as improvements are made, and provide suggestions as requested.

5. Off Leash Dog Parks

PRAC recommends naming three parks as off leash dog parks on a one-year trial basis. The parks recommended by PRAC are: Barclay, Wesley Lynn and Park Place. Upon request, PRAC will assist in the evaluation process of the one-year trial. The respective Neighborhood Associations should be consulted prior to a final decision.

6. Newell Creek Canyon

Oregon City, Clackamas County, Metro, Greater Oregon City Watershed Council and private land owners launched a restoration study of Newell Creek Canyon. A bond issue in 1995 was passed to restore the 215 acres in Newell Creek Canyon. PRAC strongly supports this project, and will participate in the planning and design process as requested.

7. Oregon City Parks Day – 2014

PRAC will take the lead in planning and holding a Parks Day in 2014 to communicate the critical role and good works of Oregon City's public parks. The activities should be coordinated with the "Movies in the Parks" event and will be held in _____ Park on _____ date.

8. Naming Trail Linkages/Standardized Signage

Upon request, PRAC will review proposals and provide suggestions .

These are my suggestions for PRAC Goals 2014. They are presented as a draft for PRAC discussion. Since I will miss the Feb. meeting I wanted to present some ideas to help in your discussion. I will be out of town from Feb. 25-Mar 2. Bob Burns
