2011 – 2012 Planning Commission Goals and Objectives

1. Identify methods to increase public involvement, communication and education with continuous outreach and feed back to citizens, interested parties and neighborhood associations.
2. Work with the City Commission and Urban Renewal Agency to identify the scope and process to create a Community Vision for (Oregon City, Blue Heron site, Urban Renewal District, South End Concept Plan Area, Hilltop Area).
3. Develop an understanding and more defined structure to the city's committee's and improve communication through updates and work sessions with the City Commission, Urban Renewal Agency, Historic Review Board and recognized city advisory groups such as the Transportation Advisory Committee, Parks and Recreation Advisory Committee, Citizen Involvement Council and Natural Resource Committee.
4. Obtain Tree City USA designation.
5. Promote and educate the community about innovative smart growth designs, the benefits of historic preservation and rehabilitation, walkable communities and LEED developments and projects designed to lessen development impacts on the environment.
